

**Bernalillo High School
Paul Madrid Classic
Girls' Soccer Tournament
2025**

BACKGROUND

Paul Madrid is a proud 1991 graduate of Bernalillo High School. He went on to attend the University of New Mexico, where he played Division I Soccer while earning his Bachelor degree.

Paul has worked in the field of Information Technology as a means to an end which was to run and own a cattle ranch which he does today. Paul has remained deeply committed to serving his community. From 1998 to 2003, he returned to Bernalillo High School as a soccer coach before shifting his focus to coaching his own children in youth soccer in the Town of Bernalillo.

Paul's dedication to Bernalillo extends beyond the field. He currently serves as the President of the Bernalillo Public Schools Board of Education, where he advocates for students, parents, and teachers alike. He also serves in many capacities that help enhance the communities of Cabezón, San Luis and Bernalillo.

Above all, Paul is a devoted father of four, three of whom have already graduated from Bernalillo High School. He proudly considers his children his greatest accomplishment.

Reflecting his commitment to the community, Paul shares:

“I am committed to being the voice of our students, parents, and teachers. My goal is to strengthen Bernalillo Public Schools step by step—restoring our culture and moving the district forward through the input of all stakeholders. We have a unique makeup within BPS that deserves to be celebrated. By embracing our diversity and fostering meaningful parent and community involvement, we can ensure that our culture becomes one of our greatest strengths.”
