

Fall 2025

Dear Parents and Guardians,

The Principals, Athletic Directors, and Coaches of the Northwest Jersey Athletic Conference are dedicated to our mission of fostering positive developmental experiences for all participants. Sportsmanship and safety are at the heart of these experiences and play a significant role in evaluating the quality of our athletic programs and the success of our student-athletes.

We expect all spectators at NJAC athletic events to demonstrate exemplary sportsmanship, recognizing its vital connection to the safety and overall experience of our student-athletes. To support this, our conference has established a sportsmanship committee made up of Principals and Athletic Directors, tasked with creating guidelines for the conduct of our member schools and their supporters.

Our student-athletes are committed to competing fairly and honestly. In turn, we encourage our spectators to support these young men and women by respecting their opportunity to play without interference. We believe firmly that “players should play, coaches should coach, officials should officiate, and spectators should enjoy the game.”

We invite all parents to take an active role in nurturing these positive experiences, ensuring that our programs contribute meaningfully to the growth and character development of all participants. Regardless of which school you support, we appreciate your focus on the athletes' efforts before, during, and after competitions. Your enthusiastic encouragement means the world to our student-athletes.

We look forward to celebrating the achievements of all NJAC student-athletes with you, and thank you for helping to uphold the level of sportsmanship we cherish.

Thank you for your continued support!

Sincerely,
