

# VOLUNTEER

## Get Qualified Now

And be ready *anytime...* field trips, school event helpers and more!

## ONE VOLUNTEER NETWORK

The Wausau School District's ONE Network for Volunteers manages volunteering for all WSD schools.

All volunteers are required to complete a criminal background check and create a profile in [My Impact](#).

Your background result is added to your profile by [ONE Network](#). Then we switch your profile to *accepted* and that allows you to sign up for posted volunteer opportunities. You can log on to the My Impact website or app any time to view and sign up for volunteer activities. One Network sends that directly to school so they know who signs up.

### Why do we use [My Impact](#)?

- Allows volunteers to participate at any (all) schools with one profile, all in one place.
- Verifies & ensures volunteer eligibility to the school, helping us maintain safety standards and board policies.
- Helps teachers & staff manage volunteers by giving them organized, verified information.
- We can share info & update volunteers via My Impact.

## 1 [BACKGROUND CHECK](#)

WSD requires all volunteers to complete a criminal background check. You will be notified by email upon completion.

Do this once and you're done for 5 years!  
Results are valid for 5 years and are added to your My Impact profile which is how we verify your qualifications.  
Parent/Guardian Volunteers that do not qualify will not be excluded from participation in their student's education.

## 2 [MY IMPACT](#)

### CREATE YOUR PROFILE

Then log in anytime for volunteer roles & signups.

[My Impact](#) is our website for all volunteer opportunities. It's like a Facebook for Volunteering. This is where you will log on and sign up to volunteer.

Using a web browser like Google Chrome or Safari, start your profile. Please do not try using the app until you have created a profile. It will not work unless you already have user name and login.  
First timers, type "Wausau" into the search.

### VOLUNTEER HANDBOOK

While you're in [My Impact](#), please read the handbook and sign off on it. Lots of helpful information, policies and tips for Volunteers.
