August 2025

Dear Pequannock Township School District Community:

Our Golden Panthers are coming off a successful 2024-2025 campaign in which our student athletes and coaches represented the Blue and Gold with Panther Pride, and are looking to build on that success this upcoming season. We are grateful for the families, students, alumni, and community members who come out to support our student athletes and hold themselves to the positive characteristics that define our community. That tradition runs deep, anchored by pride, school spirit, and a foundation of respect.

Throughout the course of the year, the Golden Panthers performed at their highest level through rigorous preparation and skill development provided by our coaches. The Golden Panthers won sportsmanship awards, conference championships, county championships, a state championship, and a national championship this past year. We were also able to introduce girls volleyball at the middle school level. Individually, many PTHS student athletes received all-conference, all-county and all-state recognition. This was all done while maintaining good grades and participating in community service.

To help fans watch our Golden Panther home games when they are not able to make it to the turf fields or the PTHS gym, we are moving to a free online platform provided by HUDL that will allow for a more streamlined viewing experience. Please use this [link](#) to access the livestream throughout the course of the year. New users do not have to create an account to watch. As always, our daily athletic schedules for both PV and PTHS can be found on our district website.

We appreciate your support for our community and programs. While in attendance, it is expected that our fans will continue to conduct themselves in a positive manner, respecting our team, our opponent, and the officials. How we represent ourselves is how we represent Pequannock Township High School and Pequannock Valley Middle School. May we cheer for the Blue and Gold with the enthusiasm, spirit, and passion that make this community special. Let's Go Panthers!
