Appleton North High School Math Department Supply List 2025-2026 School Year

All math students are expected to come to math class with the following items each day:

- ☐ Pencils
- ☐ Notebook or Loose-Leaf Paper
- ☐ Graph Paper
- ☐ Calculator (see below for type)

Students may also be required to have additional supplies specified by their math teacher. Please review the Appleton North High School Supply List.

CALCULATORS NEEDED FOR MATH COURSES

Scientific Calculator (Texas Instrument TI-34 Preferred)	Graphing Calculator (Texas Instrument TI-84/83 Preferred)
Algebra 1A	Algebra II for PreCalc
Algebra 1B	PreCalculus
Algebra	AP Calc AB
Geometry	AP Calc BC
Math Topics	AP Stats (TI-84/83 Only)
Algebra II	
Intro to College Mathematics	

NOTE ABOUT CALCULATOR USAGE:

Calculators are used extensively in most math classes for investigations and problem-solving. However, it is expected that students know basic number facts and be able to perform simple math computations mentally or with paper and pencil. In each math class at Appleton North, there will be times when a calculator is NOT allowed. Some quizzes or tests (or portions of them) may be non-calculator-based.

Cell Phones may not be used in place of a calculator.

2025-2026 Material Fee Request Form

There is a \$25.00 material fee associated with FCLA. Due to our integrated curriculum, all students will be exposed to a variety of art projects with a range of required supplies. This fee will be used to offset the cost of those consumable supplies as well as for field trips. This fee is in line with what students pay in North art classes.

If you are unable to pay or have questions, please do not hesitate to contact FCLA staff. If your family benefits from free or reduced lunch, you are not required to pay the fee. We do ask that the fee be paid by September 19, 2025.

Please indicate the method of payment and amount below. Checks should be made payable to Fox Cities Leadership Academy.
