

**PSAT Test Prep
REGISTRATION FORM
Ottawa Hills Jr./Sr. High School
Fall 2025**

The Foundry is excited to be partnering with STARS Prep to provide our students with PSAT preparation services.

STARS Prep was founded in 2003 by Greg Owens, a Yale University-educated educational consultant. His goal is to help students and parents alleviate the stress that can sometimes be associated with academics, standardized tests, and the college admission process by providing quality supplemental educational services.

For more than a decade, STARS has been instrumental in helping thousands of students attain their educational goals, including admission to some of the nation's most prestigious colleges and universities.

The \$200 fee will be charged to your child's PowerSchool account. Students in grades 9 through 11 may register for the class.
