

**ACT Test Prep
REGISTRATION FORM
Ottawa Hills Jr./Sr. High School
Summer 2026**

The Foundry is excited to be partnering with STARS Prep to provide our students with ACT preparation services.

STARS Prep was founded in 2003 by Greg Owens, a Yale University-educated educational consultant. His goal is to help students and parents alleviate the stress that can sometimes be associated with academics, standardized tests, and the college admission process by providing quality supplemental educational services.

For more than a decade, STARS has been instrumental in helping thousands of students attain their educational goals, including admission to some of the nation's most prestigious colleges and universities.

The \$200 fee, which includes the prep book, will be charged to your child's PowerSchool account. Students in grades 7 – 12 may register for the class.
