Pupils at Nobel Algarve British International School are expected to wear the uniform to the school on all occasions. The school uniform is an important part of our collective identity and sense of community. It is important that pupils present themselves as ambassadors of the school at all times including when they are in public places or travelling to and from the school.

The Senior Leaders at the school expect all pupils to adhere to the Uniform Policy.

All pupils are expected to wear the uniform detailed below. This uniform will be checked on a daily basis. Parents will be informed if the uniform code is breached and secondary pupils are not permitted into lesson until they are correctly dressed in full school uniform. A member of staff will take pupils to the school shop to purchase correct uniform and contact the parent or carer of any pupil who does not adhere to the policy.

Aims:

- To encourage self-respect and pride in the school.
- To promote a professional approach to learning.
- To help promote the academic ethos of the school as a well-ordered environment in which to learn.
- To ensure that pupils are well presented and smart.

This will be achieved by:

- Parents and carers all fully aware of the uniform requirements.
- Documentation for all new pupils to clearly state how the uniform can be obtained.

We are currently transitioning to the new school uniform, and both types are acceptable until June 2026.
