

NCYAA New Student Start Dates 2025-2026

The NCYAA will support the smooth transition of students into the school and community by ensuring that all educational services are planned and accounted for with family and homeschool participation. NCYAA intake staff will conduct parent intake meetings before the scheduled student intake dates listed below. Students will be allowed to start at NCYAA on one of these dates after an in-person parent meeting has been conducted. The student's first day of school will be the next new student start date. Please note that any cancellation of a parent intake meeting might delay a student's first day of in-person instruction.
