

Optional Device Protection Plan Instructions

Parents/Guardians who would like to purchase the Optional Device Protection Plan for their student's Fulton County issued device can do so by completing the **Online Registration Census Update** found in the **Infinite Campus Parent Portal**.

A Parent Portal account is required to sign up for the Optional Protection Plan. Once parents/guardians have completed the Census Update, the fees will show in their **Parent Portal Account**, and they are able to pay for them there.

Please see the steps below:

1. Login to the **Infinite Campus Parent Portal**.

2. Navigate to **More > Online Registration** and select the appropriate academic year under "**Existing Family Registration**."

This Registration Form is to update or enter registration data for students in the following scenarios:

- In-System Transfer** - If you already have a student currently enrolled in Fulton County Schools and you have moved or have an approved reason (i.e., COSA, charter school approval) to transfer to another school within the district, registration information can be updated for review and enrollment into the new school.
- Census Update** - If a household's members or address needs to be updated without transferring to a new building or emergency contact information needs to be added.
- New Student in Existing Household** - If you have an existing household and have a new student that needs to be registered, the new student can be added to the application in the student section.
- Health Condition Changes** - If you have an existing student that you need to add or update a health condition and/or medication for.
