

## National **BETA** **SCHOOL OF** **MERIT**

Sponsors: Mrs. Angie Black and Mrs. Angie Tyson

Giles County High School's Beta Club has received the National Beta School of Merit award for the past two years. This outstanding award is given to honor a club's dedication and commitment to academic excellence. We have seen our club grow steadily over the past several years as more and more GCHS students have met the high standards of achievement required for membership.

Our club has dedicated itself to serving our school and community through projects that promote growth and improvement. In 2024-25, our members generously donated their time and resources to multiple organizations that serve underprivileged groups and those affected by tragedy and hardships. Additionally, we renovated an area of our school to improve the aesthetic of our campus.

The GCHS Beta Club seeks to provide a positive impact through the ideals of achievement, character, leadership, and service. The Beta community recognizes high academic achievement, rewards and nurtures worthy character, fosters leadership skills, and encourages service to others.

Being a Beta means being a part of a community of leaders who are positively impacting the world.
