

We're here to help

Tools to reduce your energy use and lower your bills

We understand that bill increases are hard on local businesses and families. We're committed to offering our customers a wide range of choices, tools, and tips to help manage energy usage and bills.

Tools to manage and reduce your energy usage

Understanding your home's energy usage

We offer a range of self-service tools to better help you understand your home's energy usage and receive personalized energy saving tips.

Income-qualified programs for customers who need a little extra help

Bill Discount Rate

Provides ongoing help with your monthly energy bill. You can save 5%-45% a month on your bill.

Home Energy Lifeline Program (HELP)

Provides up to a \$1,000 credit to help you pay your bill. If you apply for HELP, we will automatically start an application for the discounted bill rate too.

Past Due Bill Forgiveness

Provides you a fresh start by forgiving a portion of your past due bill amount.

Efficiency Boost

Higher than standard rebates on energy efficient appliances and upgrades to help lower your bill long term.

Home Weatherization Assistance

PSE will connect you with local agencies that can assess your home and provide free, whole-home upgrades to help lower your monthly energy bill.

Community Solar

Save up to \$240* per year on your PSE electric bill with free shares from a local community solar project.
