public disclosure. Information not marked as required by the applicable instructions may be disclosed to the public." IF YOU IDENTIFY YOUR ENTIRE RESPONSE AS EXEMPT FROM PUBLIC DISCLOSURE, OR IF YOU DO NOT SUBMIT A REDACTED COPY AS REQUIRED, THE DISTRICT MAY, IN ITS SOLE DISCRETION, DETERMINE YOUR BID OR PROPOSAL NONRESPONSIVE AND INELIGIBLE FOR AWARD.

(b) By submitting a response to this solicitation or request, Offeror agrees to the public disclosure of every page, or portion thereof, of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page, or portion thereof, was redacted and conspicuously marked "Trade Secret" or "Confidential" or "Protected", (2) agrees that any information not redacted and marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and (3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure. The Procurement Officer must be able to view, search, copy and print the redacted copy without a password. (e) On the redacted copy, you must identify the basis of your claim by marking each redaction as follows: You must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that you redacted and claim as exempt from public disclosure because it is either (1) a trade secret as defined in Section 30-4-40(a)(1) of the Freedom of Information Act, or (2) privileged and confidential, as that phrase is used in Section 11-35-410. You must separately mark with the words "TRADE SECRET" every page, or portion thereof, that you redacted and claim as exempt from public disclosure as a trade secret pursuant to Section 39-8-20 of the Trade Secrets Act. By submitting a response, you agree to defend, indemnify and hold harmless the District, its officers and employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from withholding information by the District, that you have redacted or marked as "Confidential" or "Trade Secret" or "Protected". III. SCOPE OF WORK / SPECIFICATIONS

School District Five of Lexington and Richland Counties is soliciting competitive sealed proposals from qualified and experienced firms to provide Construction Management at Risk Services for the construction of a new Administrative and Professional Development Center next to the current District Office. The building will provide a flexible environment with multiple breakout spaces and a central location for faculty/staff development and collaboration. In addition, it will provide one location for District staff currently housed at various schools and buildings across the district to better serve families. The estimated overall budget for this project is \$25.4 million and the desired substantial completion date is in the fall of 2027. The current District Office will not be demolished.

“Construction management at-risk” (CM-R) is the chosen project delivery method for this project. The selection of the architectural and engineering design team is expected to be finalized during August of 2025. It is the District’s intention to go through the selection process and have a CM-R firm under contract by October of 2025, in order to perform pre-construction services in addition to construction services. The design team is expected to complete programming and be engaged in the Schematic Design services at the time of award to a CM-R firm. The District’s goal with the selection of the CMR firm is to allow them to work with the design team to facilitate the project’s overall schedule and ensure budget compliance.

SPECIAL CONSIDERATIONS FOR CM AT-RISK – Firms seeking CM-R work must be registered both as a construction manager and as a general contractor with the SC Contractor’s Licensing Board. The construction manager at-risk’s general contractor’s license must have a license group designation that will allow the construction manager at-risk to provide 100% Performance and 100% Labor and Material Payment Bonds for the entire project. Moreover, prior to contracting for a Guaranteed Maximum Price (GMP), all construction management services provided by a construction manager at-risk must be paid as a fee based on either a fixed rate, fixed amount, or fixed formula. In addition, construction may not commence for any portion of the construction until after the District and the construction manager at-risk firm has a contract for a fixed price or a GMP regarding that portion of the construction. Construction phase services are subject to the limitations on retainage in S.C. Code § 11-35-3030(4) and the District’s Procurement Code and Policies.

SPECIFICATIONS

1. As construction services are defined by law, the CM-R’s services shall conform to recognized standards of professional practice.
2. The CM-R will work in concert with the Design Professional towards the successful completion of the project within the schedule and the stated cost limitation, in compliance with the contract documents, and adhering to the requirements of the authorities having jurisdiction.
3. The CM-R, through in-house staff or outside consultants/contractors, shall serve as the Construction Manager and Constructor, and shall provide all pre-construction and construction management services and activities necessary for the construction and completion of this project. The services described in this Request are representative of the services required and are not exhaustive.
4. Pre-construction Services shall include but are not limited to the following:
 - a. Participate in design team meetings as required to facilitate the design process.
 - b. Evaluate the design during development; providing analysis of alternate construction methods and materials for potential quality, cost, and schedule enhancements.
 - c. Evaluate construction documents for constructability, maintainability, potential problems, errors, and compliance with the construction budget.
 - d. Develop a comprehensive design and construction schedule, coordinating activities to accomplish the completion of the project by the earliest date possible within the stated cost limitation.
 - e. Provide cost estimating, cost management, value analysis, and value engineering.
 - f. Provide cost estimating of alternative means, methods, materials, and configurations of the design.
 - g. Provide cost estimating of the individual construction packages.
 - h. Develop a construction budget to be maintained throughout design and construction.
 - i. Reconcile costs with the Architect’s cost consultant.
5. Construction Phase Services shall include but are not limited to the following:

- a. Develop requirements for safety, quality assurance, and schedule adherence.
 - b. Maintain on-site staff for construction management.
 - c. Maintain a system for tracking the timely submittal, review, and approval of submittals.
 - d. Coordinate, conduct, and document regular construction meetings.
 - e. Prepare and submit change order documentation for review and approval by the Design Professional and the Owner.
 - f. Maintain on-site records and submit monthly progress reports to the Design Professional and the Owner.
 - g. Maintain quality control and ensure conformity to contract documents.
 - h. Reconcile construction contract requirements with the construction budget.
 - i. Assist the Owner with permits and inspections required by authorities having jurisdiction.
 - j. Develop and maintain a detailed design and construction schedule (CPM) indicating sequencing of construction activities and milestones necessary for completion of the project by the targeted date.
 - k. Document activities associated with the administration, management, and construction of the project.
 - l. Certify monthly all work in place and approve all sub-contractor and vendor payment requests.
 - m. Develop As-Built drawings for presentation to the Design Professional and Owner upon project completion.
 - n. Resolve punch-list items in a timely and professional manner.
 - o. Coordinate post-completion activities, including start-up testing and break-in, as well as the assembly of guarantees, manuals, closeout documents, training, and SD5's final acceptance.
 - p. Monitor, coordinate, and resolve all warranty complaints to the satisfaction of SD5 during the one-year general warranty period.
6. Guaranteed Maximum Price: At an appropriate point in the project and subject to contractual negotiations, the CM-R shall issue to the Owner a guaranteed maximum price (GMP) backed by a surety bond. The project shall be constructed within this GMP. To the extent professionally responsible, the CM-R will overlap the Design Development and Construction Phases when components are conducive to early construction starts, reflecting such in a master project schedule.
 7. The CM-R and the design professionals each will be responsible for comprehending the Owner's Project Requirements, accurately translating those requirements into a Basis of Design, and incorporating all into complete construction documents. With these, the CMR will deliver a finished facility in satisfaction of the Owner's Project Requirements.
 8. The CM-R will be responsible for pricing and value-engineering issues and for reconciliation of their costs with costs from the design professional's cost consultant. At an appropriate point during the project, the Owner will ask the CM-R to commit to a Guaranteed Maximum Price (GMP) for the project.
 9. The CM-R shall competitively select all construction subcontracts and other work appropriate for competitive selection but is free to use qualification factors other than price of work to select construction subcontractors that will deliver the greatest value to the District in compliance with requirements of the Office of School Facilities of the State of South Carolina.
 10. In selecting a firm, the Owner will emphasize experience of the firm and of assigned personnel in providing like functions on projects of similar magnitude and complexity as the proposed project. Selection preference will be toward firms that have depths of knowledge and resources for general contracting, scheduling, contract coordination and compliance, and budget control, as well as familiarity with state laws, ordinances, and codes applicable to the District.
 11. It is the responsibility of each submitter to examine the entire RFP, seek clarification in writing, and review its submittal for accuracy before submitting their proposal. Once the submission deadline has passed, all submissions will be final. Each firm must describe experience if there are multiple firms proposed as one team. Please indicate, by firm, those qualifying as a minority firm.
 12. Certified Small and Minority Business Enterprises are encouraged to respond to this request.
 13. The window of construction opportunity requires the Owner to make, as an important selection criterion, the ability of firms to place quality personnel on this job ready to work within an effective time frame.
 14. To the greatest degree possible, the Owner desires to have local business participation and certified small and minority-owned business participation in the construction of the project. Participation of the local businesses and certified small and minority-owned businesses may include, but is not limited to consulting, construction management, subcontracting and vending. "Local" is defined as having a physical business address in either of the South Carolina Counties of Richland or Lexington.

PROJECT ASSUMPTIONS

1. The Owner does not desire to enter into “joint-venture” agreements with multiple firms. In the event that two or more firms desire to establish a joint venture, it is expected that one firm shall become the construction manager at-risk firm with the remaining firm(s) being consultants to it.
2. The Owner expects all parties to this project to work closely together and deal appropriately with project conditions to finish the job successfully. A spirit of cooperation and collaboration among construction services providers is of utmost importance to District.
3. The CM-R, as a part of its pre-construction services, will assist with developing a strategy for the best approach for the successful completion of the project. For example, without limitation, the CM-R will provide guidance and assistance in the preparation of a schedule and a reliable cost estimate.
4. It is the sincere intention of the District to make every effort to be fair and equitable in its dealings with all candidates for selection.

The foregoing restriction does not apply to a transfer that occurs by operation of law (e.g., bankruptcy; corporate reorganizations and consolidations, but not including partial asset sales). Notwithstanding the foregoing, contractor may assign monies receivable under the contract provided that the District shall have no obligation to make payment to an assignee until thirty days after contractor (not the assignee) has provided the responsible procurement officer with (i) proof of the assignment, (ii) the identity (by contract number) of the specific District contract to which the assignment applies, and (iii) the name of the assignee and the exact address or account information to which assigned payments should be made. (b) If contractor amends, modifies, or otherwise changes its name, its identity (including its trade name), or its corporate, partnership or other structure, or its FEIN, contractor shall provide the procurement officer prompt written notice of such change. (c) Any name change, transfer, assignment, or novation is subject to the conditions and approval required by Regulation 19-445.2180, which does not restrict transfers by operation of law.

AFFIRMATIVE ACTION: The successful bidder will take affirmative action in complying with all federal and state requirements concerning fair employment and employment of the handicapped, and concerning the treatment of all employees, without regard or discrimination by reason of race, color, religion, sex, national origin or physical handicap. The following are incorporated herein by reference: 41 C.F.R. 60-1.4, 60-250.4 and 60-741.4.

BANKRUPTCY - GENERAL: (a) Notice. In the event the Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the Contractor agrees to furnish written notification of the bankruptcy to the District. This notification shall be furnished within two (2) days of the initiation of the proceedings relating to the bankruptcy filing. This notification shall include the date on which the bankruptcy petition was filed, the identity of the court in which the bankruptcy petition was filed, and a listing of all State contracts against which final payment has not been made. This obligation remains in effect until final payment under this Contract. (b) Termination. This contract is voidable and subject to immediate termination by the District upon the contractor's insolvency, including the filing of proceedings in bankruptcy.

CHOICE-OF-LAW: The Agreement, any dispute, claim, or controversy relating to the Agreement, and all the rights and obligations of the parties shall, in all respects, be interpreted, construed, enforced and governed by and under the laws of the State of South Carolina, except its choice of law rules. As used in this paragraph, the term "Agreement" means any transaction or agreement arising out of, relating to, or contemplated by the solicitation.

CONTRACT AWARDED PURSUANT TO CODE: Any contract resulting from this solicitation is formed pursuant to the District's Procurement Code and is deemed to incorporate all applicable provisions thereof and the ensuing regulations. See also clause titled "Code of Laws Available."

EQUAL OPPORTUNITY: Contractor is referred to and shall comply with all applicable provisions, if any, of Title 41, Part 60 of the Code of Federal Regulations, including but not limited to Sections 60-1.4, 60-4.2, 60-4.3, 60-250.5(a), and 60-741.5(a), which are hereby incorporated by reference.

FALSE CLAIMS: According to the S.C. Code of Laws § 16-13-240, "a person who by false pretense or representation obtains the signature of a person to a written instrument or obtains from another person any chattel, money, valuable security, or other property, real or personal, with intent to cheat and defraud a person of that property is guilty" of a crime.

NOTICE: (A) After award, any notices shall be in writing and shall be deemed duly given (1) upon actual delivery, if delivery is by hand, (2) upon receipt by the transmitting party of automated confirmation or answer back from the recipient's device if delivery is by telex, telegram, facsimile, or electronic mail, or (3) upon deposit into the United States mail, if postage is prepaid, a return receipt is requested, and either registered or certified mail is used. (B) Notice to contractor shall be to the address identified on Cover Page. Notice to the District shall be to the Procurement

Officer's address on the Cover Page. Either party may designate a different address for notice by giving notice in accordance with this paragraph.

OPEN TRADE: During the contract term, including any renewals or extensions, Contractor will not engage in the boycott of a person or an entity based in or doing business with a jurisdiction with whom South Carolina can enjoy open trade, as defined in SC Code Section 11-35-5300.

ORGANIZATIONAL CONFLICT OF INTEREST: (a) The Contractor agrees to immediately advise the Procurement Officer if an actual or potential organizational conflict of interest is discovered after award, and to make a full written disclosure promptly thereafter to the Procurement Officer. This disclosure shall include a description of actions which the Contractor has taken or proposes to take, after consultation with the Procurement Officer, to avoid, mitigate, or neutralize the actual or potential conflict. (b) The District may terminate this contract for convenience, in whole or in part, if it deems such termination necessary to avoid an organizational conflict of interest. Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not increase the obligation of the District beyond what it would have been if the subcontract had contained such a clause. (c) The disclosure required by paragraph (a) of this provision is a material obligation of the contract. If the Contractor knew or should have known of an organizational conflict of interest prior to award, or discovers an actual or potential conflict after award, and does not disclose, or misrepresents, relevant information to the Procurement Officer, the District may terminate the contract for default.

SOLICITATION INFORMATION FROM SOURCES OTHER THAN OFFICIAL SOURCE: South Carolina Business Opportunities (SCBO) is the official state government publication for District solicitations. SWMBE PARTICIPATION: District Five of Lexington and Richland Counties encourages SWMBE businesses to participate in the Solicitation process. All business conducted with SWMBE businesses certified by the South Carolina Governor's Office of Small and Minority Business Assistance is recorded in an annual report submitted to the Board of Trustees. In order to be included in this report, you must submit a copy of your certificate with your bid.

TERMINATION: Subject to the conditions below, the District, providing a (30) thirty-day advance written notice is given to the vendor, may terminate the contract for any reason.

NON-APPROPRIATIONS: Any contract entered into by the District resulting from this bid invitation shall be subject to cancellation without damages or further obligation when funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period or appropriated year.

FOR CONVENIENCE: In the event that this contract is terminated or canceled upon request and for the convenience of the District without the required thirty (30) days advance written notice, then the District may negotiate reasonable termination costs, if applicable.

FOR CAUSE: Termination by the District for cause, default or negligence on the part of the vendor shall be excluded from the foregoing conditions; termination costs, if any, shall not apply. The thirty (30) days advance notice requirement is waived and the default clause in this bid shall apply.

DEFAULT: In case of default by the vendor, the District reserves the right to purchase any or all items in default in the open market, charging the vendor with any additional costs. The defaulting vendor shall not be considered a responsible bidder until the assessed charge has been satisfied.

TERMINATION DUE TO UNAVAILABILITY OF FUNDS: Payment and performance obligations for succeeding fiscal periods shall be subject to the availability and appropriation of funds therefore. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the

contract shall be canceled. In the event of a cancellation pursuant to this paragraph, contractor will be reimbursed the resulting unamortized, reasonably incurred, nonrecurring costs. Contractor will not be reimbursed any costs amortized beyond the initial contract term.

TERMINATION FOR CONVENIENCE: (1) Termination. The Procurement Officer may terminate this contract in whole or in part, for the convenience of the District. The Procurement Officer shall give written notice of the termination to the contractor specifying the part of the contract terminated and when termination becomes effective.

(2) Contractor's Obligations. The contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the contractor will stop work to the extent specified. The contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Procurement Officer may direct the contractor to assign the contractor's right, title, and interest under terminated orders or subcontracts to the District. The contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

(3) Right to Supplies. The Procurement Officer may require the contractor to transfer title and deliver to the District in the manner and to the extent directed by the Procurement Officer: (a) any completed supplies; and (b) such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the contractor has specifically produced or specially acquired for the performance of the terminated part of this contract. The contractor shall, upon direction of the Procurement Officer, protect and preserve property in the possession of the contractor in which the District has an interest. If the Procurement Officer does not exercise this right, the contractor shall use best efforts to sell such supplies and manufacturing materials in an accordance with the standards of Uniform Commercial Code Section 2-706. Utilization of this Section in no way implies that the District has breached the contract by exercise of the Termination for Convenience Clause.

(4) Compensation. (a) The contractor shall submit a termination claim specifying the amounts due because of the termination for convenience together with cost or pricing data required by Section 11-35-1830 bearing on such claim. If the contractor fails to file a termination claim within one year from the effective date of termination, the Procurement Officer may pay the contractor, if at all, an amount set in accordance with Subparagraph (c) of this Paragraph.

(b) The Procurement Officer and the contractor may agree to a settlement and that the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by the District, the proceeds of any sales of supplies and manufacturing materials under Paragraph (3) of this clause, and the contract price of the work not terminated;

(c) Absent complete agreement under Subparagraph (b) of this Paragraph, the Procurement Officer shall pay the contractor the following amounts, provided payments agreed to under Subparagraph (b) shall not duplicate payments under this Subparagraph:

(i) contract prices for supplies or services accepted under the contract;

(ii) costs reasonably incurred in performing the terminated portion of the work less amounts paid or to be paid for accepted supplies or services;

(iii) reasonable costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to Paragraph (2) of this clause. These costs must not include costs paid in accordance with Subparagraph I(ii) of this paragraph;

(iv) any other reasonable costs that have resulted from the termination. The total sum to be paid the contractor under this Subparagraph shall not exceed the total contract price plus the reasonable settlement costs of the contractor reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under Subparagraph (b) of this Paragraph, and the contract price of work not terminated.

(d) Contractor must demonstrate any costs claimed, agreed to, or established under Subparagraphs (b) and (c) of this Paragraph using its standard record keeping system, provided such system is consistent with any applicable Generally Accepted Accounting Principles.

(5) Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not (i) affect the District's right to require the termination of a subcontract, or (ii) increase the obligation of the District beyond what it would have been if the subcontract had contained an appropriate clause.

THIRD PARTY BENEFICIARY: This Contract is made solely and specifically among and for the benefit of the parties hereto, and their respective successors and assigns, and no other person will have any rights, interest, or claims hereunder or be entitled to any benefits under or on account of this Contract as a third-party beneficiary or otherwise.

WAIVER: The District does not waive any prior or subsequent breach of the terms of the Contract by making payments on the Contract, by failing to terminate the Contract for lack of performance, or by failing to strictly or promptly insist upon any term of the Contract. Only the Procurement Officer has actual authority to waive any of District's rights under this Contract. Any waiver must be in writing.

VII. TERMS AND CONDITIONS – B. SPECIAL

CISG: The parties expressly agree that the UN Convention on the International Sale of Goods shall not apply to this agreement.

COMPLIANCE WITH LAWS: During the term of the contract, contractor shall comply with all applicable provisions of laws, codes, ordinances, rules, regulations, and tariffs

CONTRACTOR PERSONNEL: The Contractor shall enforce strict discipline and good order among the Contractor's employees and other persons carrying out the Contract. Contractor personnel shall present a professional appearance at all times while on District property. Personnel shall be neat, clean, well groomed, properly uniformed, and conduct themselves in a respectable and courteous manner and display proper identification. The Contractor shall not permit employment of unfit persons or persons not skilled in tasks assigned to them. No forms of tobacco products, alcohol, and drugs, guns, knives, or other weapons are allowed on the District's premises. The District reserves the right to prohibit any individual employee of the Contractor from providing services on District property or at District events if the District determines, in its sole discretion, that such employee poses a threat to the safety or well-being of students, District/school personnel, or others.

ILLEGAL IMMIGRATION: (An overview is available at www.procurement.sc.gov) By signing your offer, you certify that you will comply with the applicable requirements of Title 8, Chapter 14 of the South Carolina Code of Laws and agree to provide to the District upon request any documentation required to establish either: (a) that Title 8, Chapter 14 is inapplicable to you and your subcontractors or sub-subcontractors; or (b) that you and your subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14. Pursuant to Section 8-14-60, "A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony, and, upon conviction, must be fined within the discretion of the court or imprisoned for not more than five years, or both." You agree to include in any contracts with your subcontractor's language requiring your subcontractors to (a) comply with the applicable requirements of Title 8, Chapter 14, and (b) include in their contracts with the sub-subcontractor's language requiring the sub-subcontractors to comply with the applicable requirements of Title 8, Chapter 14.

INDEMNIFICATION - THIRD PARTY CLAIMS - GENERAL: Notwithstanding any limitation in this agreement, and to the fullest extent permitted by law, Contractor shall defend and hold harmless Indemnitees for and against any and all suits or claims of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) by a third party which are attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property arising out of or in connection with the goods or services acquired hereunder or caused in whole or in part by any act or omission of contractor, its subcontractors, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnitee, and whether or not such claims are made by a third party or an Indemnitee; however, if an Indemnitee's negligent act or omission is subsequently determined to be the sole proximate cause of a suit or claim, the Indemnitee shall not be entitled to indemnification hereunder. Contractor shall be given timely written notice of any suit or claim. Contractor's obligations hereunder are in no way limited by any protection afforded under workers' compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph shall survive termination, cancelation, or expiration of the parties' agreement. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance. As used in this clause, "Indemnitees" means District Five of Lexington and Richland Counties, its instrumentalities, agencies, departments, boards, and all their respective officers, agents and employees.

RELATIONSHIP OF THE PARTIES: Neither party is an employee, agent, partner, or joint venturer of the other. Neither party has the right or ability to bind the other to any agreement with a third party or to incur any obligation or

liability on behalf of the other party.

TERMINATION FOR CONVENIENCE: (1) Termination. The Procurement Officer may terminate this contract in whole or in part, for the convenience of the District. The Procurement Officer shall give written notice of the termination to the contractor specifying the part of the contract terminated and when termination becomes effective.

(2) Contractor's Obligations. The contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the contractor will stop work to the extent specified. The contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Procurement Officer may direct the contractor to assign the contractor's right, title, and interest under terminated orders or subcontracts to the District. The contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

(3) Right to Supplies. The Procurement Officer may require the contractor to transfer title and deliver to the District in the manner and to the extent directed by the Procurement Officer: (a) any completed supplies; and (b) such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the contractor has specifically produced or specially acquired for the performance of the terminated part of this contract. (b) The Procurement Officer and the contractor may agree to a settlement and that the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by the District, the proceeds of any sales of supplies and manufacturing materials under Paragraph (3) of this clause, and the contract price of the work not terminated;

(c) Absent complete agreement under Subparagraph (b) of this Paragraph, the Procurement Officer shall pay the contractor the following amounts, provided payments agreed to under Subparagraph (b) shall not duplicate payments under this Subparagraph:

(i) contract prices for supplies or services accepted under the contract;

(ii) costs reasonably incurred in performing the terminated portion of the work less amounts paid or to be paid for accepted supplies or services;

(iii) reasonable costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to Paragraph (2) of this clause. These costs must not include costs paid in accordance with Subparagraph (c)(ii) of this paragraph;
