RESOLUTION #25-26-02
RECOGNIZING SEPTEMBER AS ATTENDANCE AWARENESS MONTH

August 21, 2025

WHEREAS, the nation is experiencing a school absenteeism crisis, making good attendance more essential than ever to student well-being, achievement and graduation,

WHEREAS, students and families are more likely to show up and engage when there are positive conditions for learning at school, including physical and emotional health and safety; a sense of belonging, connection and support; academic challenges and engagement; and adults and peers with social emotional competency,

WHEREAS, reducing chronic absence (missing 10% or more of school for any reason) requires a comprehensive trauma-informed approach that starts with prevention and early intervention, including developing routines and trusting relationships that create a sense of belonging rather than responding with punitive action, which research finds is not particularly effective,

WHEREAS, taking attendance daily in a caring, consistent manner is essential to identifying when students begin to miss too much school, and for engaging students and families, as early as possible, with needed support and resources, Specifically, we will:

1. *Engage students, families, educators and the broader community – including civic and elected leaders, local businesses, clergy members and nonprofit organizations – in working together to identify and remove barriers to getting to school in our community, and develop meaningful solutions that ensure all children and youth keep learning despite today's many challenges.*
2. *Affirm the importance of showing up and engaging in school and discuss with students and families what is needed to make showing up to school worthwhile.*
3. *Work with schools and districts and use an expanded set of data, (including analyzing attendance and participation in in-person and remote learning, digital access, availability of working contact information and relationships to school*
