Welcome Pennsauken Family!

My name is Mr. Ralph Midora and I will be the 8th grade Principal this upcoming year. We have roughly 350 8th grade students to prepare to go to Pennsauken High School, along with the other seven hundred students in the building. It makes Phifer a great place for growth physically, emotionally and intellectually.

I will also be supervising the Related Arts and Physical Education team in the building. Together we will work and build on the success that we have had over the past few years. All students will be supported in reaching their goals and achieving their dreams. The staff has high expectations for our students both behaviorally and intellectually. My goal will be to tie everything together and listen to meet the unique needs of every student.

Sincerely yours,

Ralph Midora
