ALLEN PARK PUBLIC SCHOOLS

BEFORE CARE/AFTER CARE

Allen Park Public Schools Before Care/After Care program is designed to provide children with a safe, well-supervised environment when an adult is unable to be at home. The activities include crafts, games, outdoor and indoor play. Our program is play-based and encourages a relaxed environment for the child who is in school all day. We are licensed with the State of Michigan to take care of children between the ages of 3 and 13 years of age.

Before Care/After Care is in operation during the normally scheduled school calendar.

- We offer 3, 4, & 5 day programs
- All fees are based on full time usage
- Morning and afternoon snack will be provided
- Half-Days are included in monthly fee
