A Note from the Principal

Welcome Back Knights!

Dear Fairview High School Families and Students,
As we approach the end of summer, I am filled with anticipation and excitement for the new school year ahead. It's been a refreshing break, and we are now gearing up for an inspiring and joyful year at Fairview High School.

Our school year will kick off with our 9th grade and new students (10th to 12th grade) joining us on Wednesday, August 13th, for an Orientation Session led by Fairview's Knight Crew. We are thrilled to welcome our new freshmen and are eager to help them embark on their high school journey. All other students will begin classes on Thursday, August 14th.

As we prepare for a successful 2025-2026 academic year, please, be reminded about our new 8 - period with Advisory Bell Schedule. We understand the challenges of a new routine. We appreciate

the time and thoughtfulness that everyone put into this decision-making process last Spring Break. We engaged in extensive conversations as a school that included staff, students, parents, and our FHS community—including feedback from our School Accountability Committee community event, Student Council, Access to Action student leaders, Adelante students, as well as input through surveys, such as our Fairview Feedback form and emails—we made a collective community decision regarding our bell schedule for this year. Let's work together to make it a successful implementation!

Our dedicated faculty and staff have been working diligently to prepare for the year, and we are committed to providing a supportive and enriching environment for all our students. We look forward to another memorable and successful year.

Welcome back to a new school year, Knights. Let's make it great!

Sko Knights!

Warm regards,

Kindly,

Dr. Scarlet Chopin

Principal
