School ID Photos at Registration – Please Read

Dear Fairview Students and Families,
Registration for next year will soon be here and we would like to invite you to be sure to stop at the Lifetouch booth. Students will have the opportunity to take their picture for their school ID. Please be sure to be school appropriate in your ID pictures (no costumes, wigs, etc) and do not alter your appearance as these pictures are important to identify students on a daily basis and are important for security purposes.

Lifetouch is scheduled to be at Fairview on 8/8/2025 & 8/11/2025 for Fall Individual pictures during registration.

Can Make it on those days? There will be a make up day on Thursday Aug 21, 2025 · 10am – 2pm

Looking forward to seeing all of the smiling faces at registration!

Mr. Sutter

Chromebook Policy for Incoming FHS

As a 1:Web school, we ask all future FHS students to **not** purchase their own personal computer, but instead wait to receive a new Chromebook from BVSD when they enter 9th grade.

Benefits of having a BVSD-issued Chromebook include:

- Security: students will be able to be on the most secure BVSD network we offer (all outside devices use an open "Guest" network)
- Testing: students must have a BVSD chromebook for testing (PSAT, SAT, CMAS, AP, IB, and most class exams all require a BVSD device)
- Curriculum: classroom assignments and resources are accessible on chromebooks (and aren't always compatible with other devices)
- Chromebook Repairs: repairs for broken Chromebooks can be completed quickly through our school and district services (students can bring their Chromebook to the library to get it repaired).

Families will be charged an annual fee* through Infinite Campus that can be paid any time within the fall semester, along with other school fees. All families who qualify for free/reduced lunch will have this fee waived.

Please contact Fairview Librarian Kim.Butler@bvsd.org if you have any questions.

*Prices vary based on market value of the item when issued, but are usually around \$67 per year.

Your School Day

School Hours

Fairview High School operates from **8:35 am to 3:55 pm**, Monday through Friday. Students can enter the building starting at **8:00 am** with their student ID badge, but cannot enter after 4:00 pm using their badge.

The main office is open and accessible from 8:00 am to 4:00 pm daily.

CAFETERIA

Children need nutritious food to learn. The Boulder Valley School District offers nutritious meals every school day. Your children may qualify to receive free or reduced price meals. In many cases, eligibility for these federal school meal funds and programs is tied to the number of students who qualify for meal benefits. Even though meals are free, it is still very important that families complete the Free and Reduced Price Meal application, as it can waive or reduce fees district-wide for families, can impact transportation for some families, and impacts important funding for individual schools. Visit food.bvdsd.org/meals-nutrition/free-reduced-meals for information on applying for the Free and Reduced Price Meal Program.

Free & Reduced Price Program Applications

Although school meals are currently free, we strongly encourage eligible families to complete the [Free and Reduced Price School Meal application](#). Submitting the application may qualify your family for additional benefits, such as reduced school fees, and helps ensure your school receives important funding.

If your family received a Free and Reduced-Price notification letter for the 2025–26 school year through DirectCert, please be sure to complete the sharing form linked within the letter. This step is required to share your eligibility status with your school and receive applicable benefits.

If you have not received a notification letter and your household income is within the guidelines to qualify ([found on right side of FRL webpage](#)), fill out the Free & Reduced Price School Meal application found in your Infinite Campus Parent Portal of Infinite Campus under More > Meal Benefits. More program info can be found on our site. If you have questions, please contact Lola Campos-Herzfeld at dolores.campos-herzf@bvsd.org.
