School Life

Attendance Matters

Attending class every day is the most important thing your student can do to succeed in high school. Being present means learning alongside friends, receiving direct help from teachers, and participating in all the activities and discussions that make our school community thrive. Every day counts! If your student will be absent, **please call 720-561-5352** or [report it on the FHS website](#) so it isn't marked unexcused, which can affect credit or make-up work.

Encourage your student to connect with teachers to plan any missed assignments—either before an anticipated absence or after returning to school.

Follow Up Parking Information for Seniors

Please note that you can park in the senior lot until August 21. Only the first 300 completed applications (form + payment) will receive a permit. All vehicles will be ticketed in the lot if they do not have a permit starting August 22.

Pickup dates: August 20 and 21 in the Senior Lot from 11 AM to 1 PM.

Waitlist Information

When the limit of 300 students is reached:

- The online form will close.
- Seniors may join the waitlist in the Main Office using a paper form.

Volunteering in the FHS College/Career Center

This center is part of the Counseling Department at Fairview and provides a place where students can receive help exploring careers, options for education, and experiences during and after high school, including the college search and application process.

We also research and maintain the Counseling Department website: [Fairview Counseling Website](#)

The CCC is next to the Counseling Office and is the location where we host college representatives and hold a wide variety of meetings, instruction sessions, and activities with our counselors and other organizations on campus.

Volunteers are needed for an entire morning or afternoon at the same time each week, and experience with Google Site or other website maintenance would be helpful.

For more information, please contact **Carol Diebel**: carol.diebel@bvsd.org

Parents, Friends, and Family – The Fairview Wellness Center Needs Your Support!

The health and well-being of our students are at the heart of everything we do, and the [Wellness Center](#) is a vital space where students can access mental health support, connect with peers, or simply take a moment to recharge—either alone or with the guidance of our Mental Health Advocates, Mills and Jenny.

Thanks to your generosity, the Center has become a beloved safe haven for so many students. We are incredibly grateful to the families who supported the Wellness Center last year, and as we step into a new school year, we hope you'll consider helping us once again.

Your continued kindness and generosity make a lasting difference in the well-being of our students.

With gratitude,
