

Dear Coach, August 28, 2025

Being a Grizzly is something we are all passionate about. Whether you grew up a Grizzly in Wadsworth, or have become one as a coach, I am sure you feel the great pride this community shares in Wadsworth High School, its athletic teams, and its history.

On **October 10, 2026**, the WHS Athletic Department's Sports Hall of Fame Committee will be inducting a new class of Grizzly Greats into the Wadsworth High School Sports Hall of Fame. This tradition of recognizing the exceptional athletes that WHS has produced has continued for over 48 years.

Our goal is to include any and all deserving athletes in every Wadsworth sport for consideration for possible induction into the HOF. Although we do our best as a committee to accomplish this, we could use your help and expertise in your sport. Athletes who graduated in 2015 or before are now eligible for induction. We are hoping that you, as coaches, can nominate exceptional athletes in your sport. We understand that some of you have not been in your current position for 10 years. We simply want you as WHS coaches to be part of this process and to avoid oversights of any deserving athlete in your particular sport.

We thank you for taking time to help us continue this tradition! Nomination forms can be found on the Athletics page of the District Website [/Wadsworth City Schools](#) and are Due by December 31, 2025.

It's a great day to be a Grizzly! ,

John Gramuglia  
President WHS Sports Hall of Fame
