Why take German at CPHS?

- Earn **Dual Credit** in level 3 & 4
- German is the **closest language to English:**
 - Haus = house Katze = cat
 - Lampe = lamp trinken = to drink
- Learn in a **smaller class size** with engaging activities.
- You'll be speaking **German on Day 1!**
- German is the only **language at CPHS with an exchange program!** Meet and host an actual student from Germany. We also offer other opportunities for travel and exchange.
- Germany has the **3rd largest economy in the world!** → More job opportunities around the world.
- Try something **different** - German is the language of thinkers, innovators and inventors.

Deutsch ist für *dich!* = German is for you!
