A Note From Your CIS Site Coordinator...

Hello Wilson Families! My name is Angie Gerlach, and I'm the Communities In Schools (CIS) Site Coordinator at Wilson Area Intermediate School. I'm here to support students and families so every child can succeed. One of the most powerful ways to set your child up for success is by building strong attendance habits early in the year.

Did you know?
Half the students who miss just 2–4 days in September go on to miss nearly a month of school by the end of the year. Students who follow this pattern are more likely to face academic difficulties. If your family is experiencing challenges like transportation, health issues, or anxiety about school, I'm here to help.
