CELL PHONE AND ELECTRONICS POLICY

Students **MAY** bring their electronic devices (cell phone, ear buds, smart watches, etc.) to school.

Students may not have their cell phone or personal electronic devices on person. The only electronic device approved to be with students between 9:30-4:00 is an ASD issued chromebook.

Students are not allowed to access their cell phones or personal electronic devices between the hours of 9:30 am-4:00 pm. This includes during passing times and lunch.

If students violate our electronic policy, their device will be logged in and tracked in our electronic device google doc as an offense. We have a well established discipline policy for students who violate our electronic device policy.

CONSEQUENCES OF MISUSE ARE:

FIRST OFFENSE

Cell phone will be confiscated and locked up in the office. The student will pick it up at the end of the day.

SECOND OFFENSE

Device will be confiscated. Parents will then be notified. Student may pick up device from the office at the end of the day.

THIRD OFFENSE

Device will be confiscated and parents will be notified. Student will then be placed on a device contract for a minimum of two weeks.

Students who are put on a phone contract will need to turn in their devices to the office upon entry into the building. The device will be locked up and it is the students responsibility to collect it at the end of the day

Students who are truant from any class period, which means purposely skipping one or more class, will automatically be placed on a device contract

CELL PHONES WILL BE ALLOWED DURING CERTAIN EVENTS. FOR EXAMPLE, PEP RALLY'S, SCHOOL DANCES, FUN DAYS, AND POSSIBLY OTHER EVENTS.
