SURVEY

The image features a vibrant red background with numerous white starburst effects. In the lower-left corner, a laptop screen displays the logo for Red Clay Consolidated School District, which includes a house icon and the text "RED CLAY CONSOLIDATED SCHOOL DISTRICT". From the screen, a yellow and orange flame-like trail leads to a white rocket with red fins. The rocket is positioned as if launching from the screen and is directed towards a black and white globe icon. The globe is partially enclosed by a white circular border. A prominent red banner with a white border is positioned horizontally across the upper-middle section of the image.
