September NEWS HOUND PTA NEWSLETTER

Dear Magnolia Trace Families,

We are Launching into Excellence at MTE! The first few weeks of school were amazing. We are visiting classrooms, watching teachers establish classroom expectations and present academic content. Your children are adapting well to Magnolia Trace Elementary. I enjoy meeting all our new students and seeing our veteran students.

UPCOMING EVENTS

September 1: Labor Day - No School

September 8: Professional Development Day - No School for Students

September 16: IT Professionals Appreciation Day

September 20: Family Day Event

September 22-26: Book Fair & Grandparents'/Special Friends' Week

September 23: Terrific Leader at 9:30 AM

September 30: Picture Day; Open House 5-7pm

October 2-3: No School- Fall Break/Parish Fair Weekend

The beginning of second and third grade is a transition for students. Some of your children may be coming home a little anxious or unsure, and some miss their parents while at school. Please keep encouraging your children. They can do hard things and as they persevere, they will realize how much they are able to do. We are working with students based on these five core paradigms:

1. Everyone can be a leader
2. Everyone has genius
3. Change starts with me
4. Empower students to lead their own learning.
5. Educators and families partner to develop the whole person.

We are a Leader in Me School. Students lead announcements and learning, help facilitate safety in our school, and are a vital part of our celebrations and progress. We encourage you to become involved in your students learning both in school and at home. We are going to start posting signs on the car line circle and bus line. I will also send a robo text to encourage you to have conversations with your child about what they are doing at school. If you have any questions or concerns, please email your child's teacher or call Magnolia Trace at 985-626-8238.

We've started introducing clubs and activities. Students can begin to get involved in these groups to develop their leadership skills. We want to create opportunities for all students to thrive. Please voice to us and encourage your child to voice if they have new ideas that will help our school or give students more opportunities to display their genius. As we introduce and practice the 8 habits of highly effective people, please let us know what you are doing at home. We will be sending habit cards home, and I cannot wait to see what is happening in our community.

As always, I appreciate all you do. I am super blessed to be able to lead and be part of such an amazing school community. Enjoy our newsletter and have a great year.

Sincerely,
Jamie Breaux
Principal - MTE

Welcome Back to School!

I am so excited for this new school year and can't believe it's already here. It's going to be a great year! We're looking forward to seeing everyone again at Open House on September 30th. The General PTA meeting will take place at 5:00 in the gym before you head to your child's classroom.

We have many fun events planned throughout the year. MTE does a great job of making learning fun and bringing families together with these events. There will be multiple volunteer opportunities for you to participate in this year, both in planning events and helping during events. We would love to see you all on campus!

Coming up, we have Grandparents' & Special Friends' Week, which takes place September 22-26. Grandparents and Friends will have the opportunity to have a pastry, take a free photo, and visit the Scholastic Book Fair together. Remember, Book Fair is cashless. You can pay with a credit card or set up an E-wallet on the Scholastic Website. E-wallets will come up automatically at check out, so they are a great choice. Trunk or Treat will be next, which takes place on October 31st, and Trunk or Treat still needs volunteers to form the committee for planning. PTA is most successful with your participation, and we appreciate whatever you can do.

Stay connected! Please join the Magnolia Trace Elementary Facebook page, where you will have access to the most updated information about MTE. Also, visit our Cheddar Up Group Page. Here you will be able to join the PTA and sign up to volunteer at our events. Joining the PTA helps us fund our events, like Grandparents' and Special Friends' Week! See the QR Code below to access this group page.

We look forward to working with all of you this year. It's going to be PAWesome!

Please contact me at any time if you have questions, concerns, or want to be involved. Thanks again for doing what you can to help us. Remember, we are BETTER TOGETHER!

Chanelle Smith

Second Grade

Welcome Maggie Families to a new and exciting year at Magnolia Trace! We are “Launching Excellence” and are off to a stellar start in second grade!

Second graders have been working hard getting used to routines and procedures in the classrooms. As we get settled into our routines, please remember that it is very important that your student be at school and on time. If your child would like to eat breakfast in the cafeteria, please make sure your child is at school by 8:30 am in the morning.

We are so excited to be focusing on “The Leader in ME” and the “Seven Habits of Healthy Kids” at MTE this year. Students will learn about each of the seven habits and how to incorporate them into their own learning and positive behavior at school. We will be focusing on making goals and becoming “Out of this World” leaders.

Fairy Tales and Tall Tales are our focus in ELA. Students are learning the different characteristics of each of these types of stories and are becoming familiar with them as we read examples daily. Handwriting and phonics are also part of our daily learning and students are working hard to become fluent readers. Eureka Math is our math curriculum, and students are learning strategies for adding and subtracting.

Our students are shining bright this year and we can’t wait to see all the wonderful learning that will happen at MTE! Please remember that parents and teachers are a team and communication is key for student success! Please reach out with questions or concerns throughout the year.

Thank you for sharing your child with us, it is going to be a fantastic year! - Second Grade Teachers

Third Grade

Welcome parents and students to third grade where We Are Launching Excellence! We are looking forward to an enriching and successful year. Third grade brings new adventures, more responsibility, and unlimited potential!

Students are off to a good start as they explore the concepts of multiplication and division in math.

We will be reading The Stories Julian Tells this nine weeks. This novel will give students the opportunity to make connections between literature and the lessons that we can learn.

Third graders are also learning about the founding of the United States including the Declaration of Independence and the American Revolution in social studies. In science, classes will investigate force and motion.

Let’s work together to make third grade an engaging, educational experience for our students. MTE third graders certainly are excited about being leaders around MTE!

MUSIC NOTES

Welcome Back to MTE Music!

We are starting the year with a new theme for Music class: "Blast Into a Learning Adventure". We will be learning new musical concepts and singing new songs.

We just finished auditions for our 2nd and 3rd grade Choirs. Choir will run from now through December concluding with a wonderful Christmas Program. In January, we will start another 2nd and 3rd grade musical.

It is a pleasure to work at MTE!

Loving my job,
Norma.Ganucheau@stpsb.org

STUDENT ARTICLES

MAGGIE CLUB SPOTLIGHT: ROBOTICS CLUB

Robotics Club at MTE is where you build and code robots for a competition. We have robotics so students can learn how to work with STEM or STEAM (Science Technology Engineering Arts and Math). Robotics Club starts in November, and your teacher will recommend you. Ms. Guidry and Ms. Smith will work with you at Robotics Club.

Written By: Jace Guidry

MAGGIE TEACHER SPOTLIGHT: MRS. HUNT

Mrs. Hunt is my third grade switch teacher. Mrs. Hunt's favorite year in school is in Kindergarten because she likes the Show & Tell. Mrs. Hunt has two pet cats. One is named Thor and the other cat's name is Mavrick. Mrs. Hunt's favorite food is cheeseburgers, and her favorite drink is PJ's coffee or Celsius. Her favorite color is white. Mrs. Hunt's favorite thing about MTE is seeing the little leaders at school.

Written By: Camille Boughrara

MAGGIE STUDENT SPOTLIGHT: ALL ABOUT DONTÉ

We have been friends for two years. We both love to play tag. We both love Roblox. We also both love football. Donte is my friend because he is kind to others. We are both in Ms. Chotto's class. We both love math. He likes Coke. He likes recess because it is fun. He also likes classwork. His goal for this year is to keep all of his paws.

LIBRARY: CHECK IT OUT!

Dear Parents,

Welcome to the 2025 - 2026 school year. We are excited about all the wonderful things we have going on in the library. The first priority of our library is to instill a love of reading in your child. If we work in unison, this can happen for all of our students. Please take time to read with your child nightly and discuss what he or she is reading. The impact of your involvement is monumental.

The children have been excited to see all the new and exciting things they will soon get to experience in the library. Makerspace stations is one new thing that our second grade students will experience this school year. The kids will be able to utilize this area during special days during the school year. Another exciting event coming in September is Book Fair. Look for exciting information coming home soon. Finally, please remind your child to return his or her library book each week.

Thank You,
Julie Kuylen
Magnolia Trace Library
julie.kuylen@stpsb.org

ART: WATTER'S WORLD

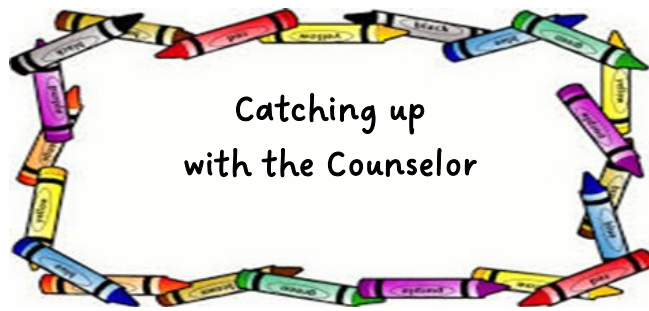

COACH'S CORNER

Welcome to a new year of P.E. I look forward to having a great year with your children and teaching them about Physical Education.

We will be learning about movement, spacing, various athletic skills, being physically fit and sportsmanship.

Please try to remind your child to wear tennis shoes on P.E. day. Also, if your child needs to sit out for P.E., please send a note.

Coach Dusang
Physical Education Teacher

Hey Maggie Friends & Family!

Welcome back to a new school year! I know most of you are excited for all the new things this year: teachers, classmates, friends, & coursework. I am very excited to be at Magnolia Trace for another year and working with all of the students. I am also excited to be bringing hands-on learning to counseling lessons this year & continuing with Leader in Me! Our first topic of the year is Being Proactive & working together as a team.

-Mrs. Jordan

Habit #1: Be Proactive

Being proactive means taking action before something happens. Here is a list of books for families that can be read at home in order to learn more about being PRO-ACTIVE! We hope you try one of these at home.

Habit #1 Book List

On My Honor by Marion Dane Bauer
Amazing Grace by Mary Hoffman
Jeremy Thatcher, Dragon Hatcher by Bruce Coville
Hoot by Carl Hiaasen
Brave Irene by William Steig
Seedfolks by Paul Fleischman
Abel's Island by William Steig
Hatchet by Gary Paulsen
Rocky Road by Rose Kent
A Picture Book of Jesse Owens by David A. Adler
The Most Magnificent Thing by Ashley Spires
