WHAT WE CAN DO:

Always report all absences to your student's school with a reason. Reported absences due to illness, appointments, funerals, and other situations as defined under Board Policy 5200 are EXCUSED and will not be counted towards Habitual Truancy.

Make school a priority. Stay engaged, help your children maintain daily routines, and try not to schedule dental and non-urgent related medical appointments during the school day.

We are here to help. Counselors and Social Workers can help provide necessary resources and support. We also inform you of your child's attendance status with notification letters when they reach 5, 9, and 10 days of unexcused absences.
