Good morning Titans! As many of you may know fall is approaching and some of you may want some fall treats. **We have updated our fall items for the N-Zone we are introducing Cinnamon Rolls!** This is the new hot item of the week and is only available for a limited time. **Come to the store and get 2 Cinnamon rolls for \$1.**

There will be a Boy's Lacrosse interest meeting in Coach Keller's room (602) on Wednesday 8/27/25 at 8 am.

All returning players and anyone interest in joining the team stop by to collect contact information.

Biology Olympiad Club's first interest meeting will be on Wednesday, August 27th, 3:30-4:10 PM in Ms. Rogman's room (105). The club is a space for students passionate about biology to explore advanced topics, prepare for the USA Biology Olympiad competition, and connect with others who have the same interests.

Hey Titans, If you want to start your own business, launch a startup, scale an idea, and learn to pitch to Venture Capitalists. Then join the HSECA - High School Entrepreneurship Club of America.

We have lots of events planned such as pitch events, guest speakers and more.

Join the GroupMe and **join us on Wednesday 8/28 after school** in Ms. Leffew's room for our interest meeting.

Advanced Placement Exams

Advanced Placement (AP) Exam Self-Study Guidelines

Beginning with the 2025–2026 school year, students may only register for an AP exam if they are currently enrolled in the corresponding AP course—either in-person or virtually. The only exception to this policy is for AP courses not offered at Northview High School; in such cases, students may pursue a self-study option.

To register for a self-study AP exam, students must visit Dr. Bounds' office to obtain a Self-Study Contract, which must be signed by both the student and a parent/guardian. Additionally, the exam fee of \$125 must be paid in full through OSP before registration can be processed.

Important Deadline:

All self-study exam requests must be submitted by **October 1, 2025**. Late submissions will not be accepted under any circumstances.

Please note: If a student registers for an AP exam but does not attend on the scheduled exam day, an unused exam fee of \$75 will be charged.

For questions or additional information regarding AP exams, please contact Dr. Christi Bounds.

UGA Youth Lead Applications Due September 5th

The *J.W. Fanning Institute for Leadership Development at the University of Georgia* is currently accepting nominations for the 2026 Youth LEAD Georgia program. Youth LEAD Georgia is open to students in 10th and 11th grade during the 2025-2026 academic year who

demonstrate leadership potential, academic commitment, and personal motivation.

There is no cost for student participants. Meals, transportation for tours and program activities, and program materials are available through generous donations from Chick-fil-A. Students will be required to arrange transportation to the sessions.

Those selected for the 2026 Youth LEAD Georgia class will be expected to attend all sessions. Session dates are available [here](#).

The nomination deadline is Sept. 5th. Once a student is nominated for Youth LEAD Georgia, the student and their parent/guardian will receive a link to fill out the application within three business days after the nomination is submitted. Applications must be completed by Sept. 30.

If you have any questions, please visit the program website at www.youthleadgeorgia.org or email info@fanning.uga.edu.

What is the Governor's Honors Program (GHP)?

The Georgia Governor's Honors Program (GHP) is a residential summer program for skilled, knowledgeable, and talented high school juniors and seniors. GHP offers instruction that is significantly different from the typical high school classroom and is designed to provide students with academic, cultural, and social enrichment necessary to become the next generation of global critical thinkers, innovators, and leaders.

Prospective GHP students should know that selection to the Governor's Honors Program is highly competitive. Students should have passion in the area of nomination, desire to attend GHP in the summer, willingness/ability to live in a residential setting for the full-length of the program, and the capacity to be fully engaged in the curriculum for the duration of the program. This is the minimum threshold for consideration for the program. The most successful student candidates additionally have the attributes, experiences, and skills outlined in the selection criteria provided for their area of nomination.

If you are interested in GHP, speak with a current or past teacher in the nomination area of interest and ask them to submit a nomination form for you. **Teacher nominations are due by 4:00 pm on Tuesday, September 9th.**
