

Join the Great Falls Police Community Foundation's Board of Directors and contribute to making a significant impact on the lives of our dedicated law enforcement officers.

We are seeking motivated individuals to join our team, providing the Great Falls Police Department with essential resources, advanced equipment, and training that surpass traditional budget allocations. As a Board member, you will be part of a dynamic team that meets monthly from September to May, planning and executing our annual fundraising Gala, and driving positive change in our community. Your time and talent will be crucial in soliciting auction items, selling tables, setting up and attending the Gala, and shaping the future of our law enforcement.

If you are ready to make a meaningful difference, submit a letter of interest to gfpdcfoundation@gmail.com. For inquiries, please contact President Sandra Thares at 406-788-5682 or email gfpdcfoundation@gmail.com
