

ST. ANNE HOME & SCHOOL ASSOCIATION

A Work of Heart

COME SHARE YOURS

Welcome to the St. Anne Home & School Association!

Each year the Home & School Association (HSA) provides support to the school in an effort to promote and enhance the quality of education at St. Anne Catholic School. HAS does this by providing opportunities for community-building and fellowship through events, like our annual Washer Tournament and BINGO Dinner; we support our wonderful teachers and staff through Teacher/Staff Appreciation Week; we raise important funds for our school through our Halloween Carnival and Dinner, Dance & Auction; and we host many student events including the Father/Daughter Dance and Field Day. While this is just a sampling of what the HSA does, there is truly something for everyone!

Every parent is automatically a member of the Home and School Association and is encouraged to volunteer! By volunteering your time and talents, you will be rewarded by knowing your efforts are creating the best possible educational and social experience for our children. The talent, enthusiasm, energy, and involvement of all St. Anne Parents create a special experience you will not want to miss!

So, how can YOU assist this year? Please read over the attached HSA Volunteer Interest Indicator and consider signing up. Forms can be returned at Meet-the-Teacher to your child's homeroom. Please know that if you completed the electronic version of the form this summer, you will not need to complete the paper form, unless you have any changes that you would like to make. If you have any questions or would like to inquire more about Volunteer Opportunities at SAS, please feel free to call or email. *Come share your heart and hands with the St. Anne Home & School Association!!*

President

Allie Kelley
Vice-President

Julia Crager
Secretary

Maite Broussard
Treasurer

We are so blessed in our St. Anne community to have such an active, involved, motivated and dedicated Home and School Association. The money raised through these committees and school-wide events helps to support our school budget, assists in paying teacher salaries and helps us to celebrate our students and staff throughout the year for all their hard work. Share your heart through our Home and School as we work to teach, enrich and touch the hearts of each of our students.

Alison Kiker, Principal
