

ELEMENTARY (K-5) GRANDFATHERING PETITION for 2026-2027

School boundaries are established with regard to student population within each school, and students are expected to enroll at the school assigned to their residential area. However, it is recommended that students currently enrolled at Lincoln, Ed Clapp, Centennial, or Bennett Elementary Schools who are affected by the proposed boundary change be permitted to complete their elementary education (kindergarten through fifth grade) at their current school, provided they submit a grandfathering petition through the established petition process. Families of students who attend a school via the petition process will be responsible for providing their own transportation to and from school. The grandfathering petition forms for the 2026-27 school year will be collected starting August 27, 2025, until the deadline of April 1, 2026. Petitions can be turned into the principal of the requested school.
