

Hello! I am an 11th year teacher who is passionate about supporting the success of my students. I wholeheartedly believe that all students can succeed given the right tools and the right team supporting them. Working on the transition from high school to what comes next has been truly rewarding, and I am excited to work with you and your student towards their post-secondary goals. This will be my fourth year in Transition School to Work (TSW) at O'Connor. Prior to joining the O'Connor team, I taught a variety of subjects in K-8 but primarily middle grade ELA. This experience has gifted me an understanding of the importance of bringing enthusiasm, passion, and honesty to my classroom. I earned my teaching degree from ASU after graduating from DVUSD (Goldwater - AuH²O!).

I enjoy spending my time reading with a good coffee or watching the latest crime drama. However, I spend most of my time wrangling my two kids with my husband to the sound of Disney movie soundtracks.

Please feel free to reach out. Email is the best method of contact.

Schedule

Period 1: Prep

Period 2: Transition Skills

Period 3: Career Development

Period 4: Career Development

Period 5: Lunch

Period 6: Career Inquiry

Period 7: Career Inquiry
