President's Report - August 25, 2025

Hello and good morning Rye Neck. Welcome back.

I don't know about you, but I'm feeling incredibly optimistic and excited on the eve of this 2025-2026 school year.

When we met for our board retreat earlier this summer we worked collaboratively to create strong, realistic, well-intended, and thoughtful goals for this year's BOE.

In the coming year, we as a board commit to:

1. Complete our NYSSBA Comprehensive Policy to align our policy manual with New York State best practices
2. Engage the Rye Neck community to develop a prudent plan that will determine both short and long-term fiscal and facility priorities
3. Support integration of our new Superintendent's vision with the district's ongoing Strategic Plan

There is no doubt that working together with the administration, our board will help contribute to a successful year for Rye Neck's students, staff and community!
