

Boundary Change Transfer Form

Current Leyden 9th, 10th and 11th grade students who reside in a neighborhood affected by the proposed boundary modification change for the 2026-27 school year have the option to request a transfer. The option to change schools is only available this one time, and would start with the 2026-27 school year and remain in effect for the rest of the student's high school career. This form must be filled out, signed by a parent/guardian and returned to the assistant principals office by **October 1, 2025**. Students who do not fill out this form to request a transfer will continue to be enrolled in their current school by default.
