INTERNS

INTERNSHIP

JUNIORS AND SENIORS

- Designed for students who desire to learn about a particular occupation
- Release early each day to work with a professional in the field you have chosen (after 2 weeks of class)
- Excellent opportunity to sample careers
- Each internship lasts one semester
- Prerequisite seminar entitled “Hire Me Seminar!”
- Must be able to drive to internship
- Work 5 unpaid hours a week for a total of 70 hours
- Looks amazing on college applications!
- Huge resume builder. Colleges love to see that a student already has experience in a field.

DIRECTED STUDY

DIRECTED STUDY

(10TH / 11TH / 12TH)

- A class that occupies a period on your schedule – Can be semester or yearlong
- Present a curriculum of study to your advisor & develop a contract that you will follow all semester
- 12 gradable assignments required
- Focus on an area of study of interest
- Self-motivation is required
- Self-directed class that each individual student decides what they will study. This can be enrichment beyond the class offerings at Chattahoochee (advanced computer sciences, criminal psychology, etc), classes not offered (foreign languages, culinary arts, etc), or extensions of academic extracurriculars (Science Olympiad, Academic Team, LaunchX, etc). We have even supported some community enrichment activities (Eagle Scouts, well being at public schools, etc.).

HIRE ME!

SOPHOMORES AND JUNIORS

- Required Prerequisite for Internship
- Lunch & Learn twice a week for 5 weeks (NOT a class in your schedule)
- Practice interviewing skills
- Compose a resume, cover letter, references, and more.
- Learn about business ethics, professional attitudes, & attire to become more polished for their upcoming internship and adult life

ADVANCED CURRICULUM

- Advanced Placement (AP)
- Honors Courses
- Duel/Joint Enrollment
- College English
- Ga Tech Math
- TAG Seminars

CAREER SHADOWING

- If a student finds a professional to shadow, we can give them a Field Trip day which is an excused absence.
