All TAG students should have an 8th period class on their schedule for TAG / Wile as a place holder

40% of CHS students are TAG!

We need companies for our Interns! If you have a company that would host an intern, please email wile@fultonschools.org !

INTERNSHIP

- Juniors & Seniors – Must be able to drive to internship
- Designed for students who desire to learn about a particular occupation
- Release early each day to work with a professional in the field you have chosen (after 2 weeks of class) 7th period
- Excellent opportunity to sample careers
- Each internship lasts one semester
- **Prerequisite seminar entitled “Hire Me!”**
- Work 5 unpaid hours a week for a total of 70 hours

HIRE ME SEMINAR

- Practice interviewing skills
- Compose a resume, cover letter, references, and more.
- Learn about business ethics, professional attitudes & attire to become more polished for their upcoming internship and adult life
- Career Research
- See Mrs. Wile in H124 to sign up!
- Tuesday's & Thursday's only one semester during lunch

DIRECTED STUDY

- A class that occupies a period on your schedule – Can be semester or yearlong
- Present a curriculum of study to your advisor & develop a contract that you will follow all semester
- 11 gradable assignments required
- Focus on an area of study of interest
- Self-motivation is required

(10th, 11th or 12th) This class is a self-directed class that each individual student decides what they will study. This can be enrichment beyond the class offerings at Chattahoochee (advanced computer sciences, criminal psychology, etc.), classes not offered (foreign languages, culinary arts, etc.), or extensions of academic extracurriculars (Science Olympiad, Academic Team, LaunchX, etc.). We have even supported some community enrichment activities (Eagle Scouts, wellbeing at public schools, etc.).
