

Memorial Park Elementary School : 205-384-6461

Counselor: Jessica Elliott, jelliott@jasper.k12.al.us

The Memorial Park Elementary Counseling Program provides a comprehensive range of services designed to support students' academic, social, and emotional development. Led by Mrs. Elliott, the program includes weekly 30-minute classroom guidance lessons for all 22 classes, small group sessions tailored to students' specific needs, and individual counseling as necessary.

The guidance curriculum follows the Alabama Comprehensive Counseling and Guidance Model and encompasses academic, career, and personal/social development. Key topics include the Zones of Regulation, responsibility, manners, fire safety, internet safety, personal body safety, goal setting, career exploration, conflict resolution, diversity, social awareness, and teamwork.
