

**Maddox Intermediate School : 205-384-3235**

**Counselor: Anna Graves, [agraves@jasper.k12.al.us](mailto:agraves@jasper.k12.al.us)**

**Counselor: Beth Borders, [bborders@jasper.k12.al.us](mailto:bborders@jasper.k12.al.us)**

The Elementary Counseling Program at Maddox Intermediate is designed to support the academic, social, and emotional growth of all students. As part of the master schedule, each classroom is seen one day a week by our counselors, ensuring every student has consistent access to guidance and support. In addition to classroom lessons, we offer open counseling sessions to meet with students individually, as well as group counseling sessions to address shared needs and build peer connections. Our program follows the Pathway Curriculum and incorporates a Peer Helper program to encourage leadership and positive role modeling among students. We also coordinate important school-wide initiatives such as Red Ribbon Week, Christmas for Kids, and 504 plans, while serving as the testing coordinators for ACAP.

As Maddox Intermediate's school counselors, **Anna Graves and Beth Borders** are dedicated to helping every child succeed. Parents are encouraged to email or call us anytime to discuss their student's needs and how we can best support them.
