

SHAC AGENDA (MEETING 1)

Location: Teachers workroom

Date: August 21, 2025

Time: 9:00am

Facilitator: Cristy McRorey

Agenda Items

Start Time: 9:08am

End Time: 9:28am

Cafeteria Update: No updates at this time.

Principal Update: We have 98 enrolled on the elementary campus. National ride you bike to school day will be October 8th. Things are beginning smoothly. It's been a great start to the new year.

Superintendent Update: Secondary campus is wanting to look into alternative options for cafeteria transitions. Little dribblers is beginning. The anonymous website is open. CPS has changed the reporting from 48 hours to 24 hours that an observation that needs attention needs to be reported. There will be a science STEM night, with

details to follow at a later date, Our Guardians training was held during in-service. We are always to encourage parent involvement. Which comes from like parent lunches. The Health and Science class at secondary is looking for hospital beds and more equipment to aide in their learning.

Wellness Services Update

We are having a small ride in Hand foot and Mouth disease traveling throughout our campus.

Hearing and Vision: Awaiting the Lions Club scheduling. Ed Mack is on vacation in Colorado at this time

Immunizations: 2nd notices have gone out. Elem is almost compliant just have a few 7th graders still needing their 12 year shots.

Covid Guidelines: Same as last year.
