

# ACTIVATING A BLOOMZ ACCOUNT

1

## Open email invitation from your class/school/district.

When your school admin/teacher invites you to register your account, you will receive an invitation via email. To register your account click on the "Join Now" button included in your invitation.

2

## Register your account.

Complete the required fields (first name, last name, your preferred language, and password. Your email address is prepopulated and cannot be changed in this step.)

or

3

## Welcome to Bloomz!

From here, you can access your student's school and classroom information.
