In accordance with a new North Dakota law, Fargo Public Schools now requires students to keep personal electronic devices stowed in their lockers throughout the school day. This change aims to enhance learning by minimizing distractions and helping students fully engage in their education.

*Welcome*  
**BACK**  
*to*  
**SCHOOL**

The word "to" is in a smaller, lowercase font. A yellow pencil with a pink eraser and a white paper airplane are positioned around the word "to". A red apple with a green leaf is positioned between the words "SCHOOL". Dashed white lines form a circular path around the word "BACK".

*Here's to a great year of  
learning and growth!*

The background is a blue-tinted photograph. On the left, students with backpacks walk on a sidewalk next to a brick school building. On the right, the side of a white school bus is visible, with the number "39" on the door.
