

SAVE THE DATE!

Your Pre-Kindergartner is invited to be part of a fun and educational program designed to introduce a variety of safety concepts to children.

June 15—26, 2026
(Monday—Friday)

When/Where are the sessions?

Dates/Times

Session 1: June 15-26 / 9:00 am-Noon
Session 2: June 15-26 / 1:00-4:00pm

Location

Skyline Early Learning Family Center
3300 3rd Street NE
Great Falls, MT 59404

(Sessions take place under the guidance of a certified teacher, program coordinator & teen volunteers)

How do I sign up ?

Registration for Safety Town will open **April 06, 2026**.

A link will be provided through the GFPS Website

To be eligible to attend, child must be entering kindergarten the fall of 2026.

(Sign-up promptly as there are a limited number of spots available.)

Enrollment is First-come, First-served

Registration Fee: \$200/Session - (3 hours/day for ten (10) days)

Additional Information

Parents must attend orientation the first day and graduation the last day. There will be detailed instruction and additional paperwork to fill out/sign. Work will be sent home daily along with the safety topics covered for you to reinforce at home. Children should wear comfortable play clothes and closed-toed shoes. T-shirts will be handed out the first day. Children can wear them anytime, but we ask that they wear them the last day for graduation. You will need to sign your child in/out daily.

Volunteer Opportunity

Teens interested in volunteering, please email:
veronica_griffith@gfps.k12.mt.us

Sponsorship/Donation Opportunity

Safety Town is a mini village with a purpose.

Safety Town was established in 1937 by a police officer and a kindergarten teacher after a child was hit by a car and killed walking to school. It started with traffic safety and has expanded to other areas.

Our program is offered through the partnership of Great Falls Public Schools, GFPS Foundation and the National Safety Town Center.

It is a fun and educational program designed to introduce a variety of safety concepts to children **Entering Kindergarten** in the **Fall of 2026**.

The program will help children develop positive attitudes and values toward safety, which will help them throughout their lifetime. Safety topics include traffic, gun, fire, stranger, water, and more! They will practice being safe pedestrians and motorists in the mini village. This combined with songs, art projects, and videos, provides a fun learning experience.

In addition, there will be Community Helpers to promote safety that will include the Fire and Police Departments, BSBL-School Bus, BNSF Railroad, Red Cross, Torgerson's-Farm, Benefis-Bike, Emergency Medical Personnel.

The main objective for Safety Town is to create an environment for children to practice what they have learned through constructive play.

The parent's job is to reinforce what the children learn daily.

Parent Feedback:

- *This is hands down the best camp that any of my kids have attended. Thank you!*
- *I would recommend Safety town for any child entering Kindergarten! My son came home daily with new information and continues to talk about it days later as well as practice the skills learned!*
- *A great introduction to real life scenarios before they go off to school.*
- *I was so impressed with all she learned in such a short timeframe. Everything she learned was so very important and helpful. She completed this class a different little girl.*
- *It's a wonderful program and provides a great experience for kids!*
