Title I PFEP Summary

TURNING POINTS ACADEMY (0842)

Mission Statement

1. Mission Statement

Our Parental Involvement mission at Turning Points Academy for the 2025-2026 school year is to ensure that all parents have equal access to pertinent information regarding the performance of their students and the school. It is our desire that all parents have access to resources and programs designed for parental use to empower them to more effectively assist their children to become successful and proficient at school. We strive to ensure that parents are involved in key decisions regarding how Title I funds are spent and jointly develop and revise plans for increased partnerships between parents, the school, and local businesses for the purpose of increasing student achievement and parent involvement.

Annual Parent Meeting

1. What is the actual date, time and location of the Annual Meeting?

The Annual Meeting will be held on Wednesday, October 08, 2025. It will be held at 10:00 a.m., both virtually and in person, in the media center.

Communication

- Description

We provide information to parents and families about Title I through SAC Meetings, the TPA website, Title I Annual Parent Nights, Parent Conferences, Parent Trainings, and/or Newsletters.

- Description

We provide information to parents and families about curriculum and proficiency levels through SAC Meetings, Parent nights, parent conferences before and after school, and the TPA website.

- Description

We provide information to parents and families about academic assessments through Progress Reports, Data Chats at parent nights, open house, Parent Conferences, Report Cards, and/or SIS.

• Description

We provide information to parents and families about decision-making opportunities through ESE Parent Participation Forms, Parent Conferences, Newsletters, and SAC Meetings.

• Description

Meetings will be scheduled at a variety of times, virtually and/in person. Parent Conferences are available at dates and times when are convenient for parents. IEP meetings accommodate parent schedules to encourage in person participation.

Accessibility

• Description

Turning Points Academy will provide full opportunities for participation in parental involvement activities by ensuring when possible that all correspondence from the school regarding Title 1 Programs is translated into the native language of each household, and translators will be provided as needed for parents when they are on campus or call. Language line will also be utilized when needed.

• Description

Turning Points Academy will ensure parents with disabilities feel welcome at our school. The school is ADA compliant and will work with parents with other disabilities to ensure that they feel welcome to participate in their child's education. Wheelchair accessible entrances and seating will be offered as requested. School will also provide hearing impairment audio equipment and any other support upon request. If necessary, school will contact the district office for support. We have handicapped parking for those that need it.

• Description

Turning Points Academy will provide full opportunities for participation in parental involvement activities by ensuring, when possible, that all correspondence from the school regarding Title I Programs are translated in their native language of each household. We also provide bus passes for parents that need assistance. Flexible times for meetings are available. We will coordinate with the district's Migrant Dept. Translators are also available for meetings.

- Description

Turning Points Academy will ensure homeless families feel welcome to participate in their child's education. TPA has a member from safe schools that works with all of our homeless students/families. TPA will seek to provide resources available to help homeless families with their child's education and any other support as needed. The TPA family will also supply bus passes for those with limited transportation to ensure they participate in their child's education. Our school personnel will assist families in setting them up with the McKinney-Vento program if needed.
