

Dear MVCTC Parents and Guardians,

Did you know that Miami Valley Career Technology Center (MVCTC) has a mobile app? The MVCTC App makes it easy for parents, students, and staff to access important information — all in one place!

Why Download the MVCTC App?

With the app, you can:

- Stay Updated – Get the latest news, announcements, and photos.
- Access Important Information – View forms and resources at any time.
- Check Calendars & Events – Never miss school activities or deadlines.
- Find Staff Information – Search the directory and email teachers quickly.
- Receive Alerts – Get notifications about calamity days and other updates.
- Customize Your Feed – Filter content and save your preferences for a personalized experience.

How to Log In to the MVCTC App

Parents must log in to the MVCTC website first before accessing the app.

Follow these simple steps:

1. Go to www.mvctc.com
2. Click "Website Login" under the Parents menu at the top.
3. Select "Forgot Username or Password" (blue link under the Next button).
4. Enter the email address you used during the application process (or from your student's emergency medical forms).
5. After clicking Submit, you'll receive an email from MVCTC with:
 - a. Your username (your email address)
 - b. A link to set your password.
6. Once your account is set up, log in to the MVCTC App using:
 - a. Username: your email address
 - b. Password: the password you just created.

Need Help?

If you have any questions or need assistance, contact our Technology Department: 937-854-6060

Download the MVCTC App today and stay connected with your student's school experience. Use the QR Code to download the app!
