EARLY CHILDHOOD PHILOSOPHY

Our early childhood program is the foundation for learning for all children we serve. We are an integral part of child development and have the belief that we are “Educating today for a better tomorrow.”

Our highly qualified staff provides a rich learning environment that promotes creativity and independence in all students regardless of ability. We believe that children learn best through purposeful play and modeling. Our program capitalizes on children’s unique strengths while supporting their weaknesses. We promote a culture of kindness and personal responsibility. We value teamwork at all levels including families, students, and staff.

GOALS

1. Provide children with support in developing in the following areas: physical, social/emotional, academic, language, cognitive, and self-help.
2. Meet the educational needs of all children and their families through collaboration and team decision making.
3. Provide children with a safe, respectful, and healthy learning environment.
4. Provide our students with the necessary tools to be prepared for kindergarten.

If you have any questions, please contact your building principal/director for more information.

PROGRAM DESCRIPTION

The Taylor Early Childhood Center is a program in the Dunklin R-5 School District that serves children ages 3-5 both typically developing as well as those who have been identified with a developmental delay or disability according to the Missouri Department of Elementary and Secondary Education. Children identified with a developmental delay or disability attend free of charge according to their individualized education program (IEP), and typically developing children attend free this year through the MOQPK grant. We have half-day and full-day classes serving children in the Dunklin R-5 and Jefferson R-7 school districts. The MOQPK grant is only available for Dunklin R-5 students.

Our classrooms consist of teachers dually certified by the state of Missouri in Early Childhood Education and Early Childhood Special Education along with at least one teacher's assistant.

Our staff consists of fourteen teachers, twenty-one para-educators, two speech & language pathologists, one director, one assistant director, one nurse, one educational diagnostician, one process coordinator, one secretary, and two custodians. Other staff include occupational therapists, physical therapists, vision therapists, etc. The academic focus of the program is meant to prepare students for kindergarten and is modified to fit children's individual needs as appropriate. Social skills and character education are also a focus of our program.

Free nutritional breakfasts are provided to all students in the morning, and snacks in the afternoon. If your child is here all day, you can send a lunch from home or purchase one from the cafeteria for \$3.15 per day. Menus and Free & Reduced Lunch Applications are available on the district website. Teachers will send menus home monthly.

Taylor Early Childhood Center also has ADA Preschool Classrooms. ADA Preschool is for children living in the Dunklin R-5 School District who qualify for free and reduced lunches, and/or other state assistance i.e. food stamps, SNAP, etc. To attend, children must meet the qualifications set by DESE. Please contact our office at 636-479-5200, option 5 if you feel your child would benefit from ADA Preschool.

Students who attend full day as regular education students must not need additional support to attend all day. Extra support is only given to a student as noted on their IEP.

CURRICULUM OVERVIEW

Our preschool curriculum is based on the Project Construct Model and a guided curriculum map. This approach to teaching states that children are actively constructing their knowledge about their physical and social worlds. This curriculum paired with our building thematic units will assess learning in the following areas: Communication Arts, Mathematics, Fine Motor, and Social/Emotional Behavior.

Each quarter the classroom teacher will do an assessment on each student. Parents will receive copies of those assessments quarterly.

Our preschool uses Emerging Language and Literacy Curriculum (ELLC). This curriculum prepares preschool students for success in kindergarten and gives them a strong foundation in oral language and literacy with a scientific based curriculum. This program not only addresses all developmental domains with a theme based units in children's literature, multi-sensory activities, scaffolded instruction, and parental involvement, but also creates an engaging environment with activity and play-based learning.

Our classrooms that have students with higher needs use the STAR Program. This program includes detailed lesson plans, teaching materials, data systems, and curriculum based assessments for teachers in the six curricular areas of receptive language, expressive language, spontaneous language, functional routines, academic and play, and social skills.

ENROLLMENT

MOQPK and ADA Preschool enrollment is limited and on a first-come, first-served basis and is for regular education Dunklin R-5 residents only.

Enrollment is for the current school year only. Families must re-enroll each year and placement from year to year cannot be guaranteed. Guaranteed placement varies and will occur in mid to late July, parents will be notified. If you do not receive notification of placement your child will remain on the waiting list until a position becomes available.

CURRENT ENROLLED STUDENTS/FAMILIES

We make every effort to limit the amount of paperwork required for currently enrolled families.

A yearly update is required to verify proof of residency.

PROCESS FOR ENROLLING A NEW STUDENT

Enrollment documents provide us with information that helps us best serve your family. If you have any questions or need help with enrollment, please contact our office at 636-479-5200, option 5.

The following information is ***required*** for new students at the time of enrollment.

NOTE: Enrollment is to be completed online. Go to the district website, www.dunklin.k12.mo.us, and from the district homepage, click on the “Families” tab and then click on “Enrollment” and follow the process. Make sure to select “SUBMIT” when finished. You will be asked to upload the following documents: Proof of Residency (utility bill {we need to be able to see the date, name, and address}, Birth Certificate, and Immunization Records).

- Taylor Early Childhood Center Enrollment
 - **Family/Student Information**
 - **Family Password** (Please keep your password secure. Your password will be required to pick up your child from school and/or to get your child off the bus. You may also be required to give your password upon inquiry of information when you call the school.)
 - **Immunization Record**
 - **Proof of Residency** (see acceptable documentation below)
 - **Current Photo of Your Child** (email photo to rschuepbach@dunklin.k12.mo.us)
- Free and Reduced Lunch Application (requested for all, but required for ADA)
- Tuition Student Registration Fee of \$40.00 (must be paid no later than August 1st, please contact our secretary for further information/details).

BEFORE & AFTER SCHOOL CARE

Y CLUB: Before and After School Enrichment Program

JEFFERSON COUNTY FAMILY YMCA

NOW ENROLLING!

About Y-Club

YMCA Before and After School programming is designed to focus on a well-rounded curriculum with 9 components that are 21st Century Skills, Arts & STEAM Activities, Global Exploration, Health & Wellness (Active Kids Active Minds), Leadership Development, Service Learning, Family & Parent Engagement, Guest Speakers and SEL - Social Emotional Learning. The program features trained staff who will help with homework and demonstrate positive mentoring/role modeling along with physical activities, crafts and snack time.

Care Times

(All times depend on start times of schools)

Before School Care:
6:15 AM - start of school

After School Care:
end of school - 6 PM

School Sites

We are currently offering Y Club at **TAYLOR EARLY CHILDHOOD CENTER** (ages 3-4).

Our Staff

We are concerned about each child and strive to provide safe and fun experiences for all. We encourage children to participate, develop ideas, and most of all, have fun!

Our staff are certified in CPR/First Aid, child abuse prevention and reporting, and emergency action plans. All staff have criminal background checks, child abuse clearances, and finger-printing clearances. Our trained staff are experienced in working with children and look forward to playing a key role in your child's educational program.

STUDENT SAFETY & HELPFUL TIPS

Child safety is of the utmost importance to our staff and the Dunklin R-5 School District. Please see the following information on child safety.

EMERGENCY DRILLS: All students and staff participate in emergency drills throughout the school year, including fire, earthquake, tornado, and intruder drills.

CUSTODIAL PARENTS: To ensure the safety of all our students please be sure that we have copies of any legal papers regarding custody matters.

CONFIDENTIALITY: Confidentiality is practiced at all times. Information about children in the classroom will not be discussed among staff or other parents, or in classrooms in front of children. Transmitting information about children, parents, and other staff members is to be done in a private, professional manner.

TREATS FROM HOME: It is program policy that all treats provided from home for parties or other special events **MUST** be store-bought and individually wrapped. Homemade treats are not allowed. ***Please refrain from sending items with peanuts.***

STUDENT DRESS CODE: Please dress children appropriately for the weather and outdoor play. It is strongly recommended that athletic shoes be worn to school for safe play on the playground and in the gym. **No flip-flops, please.** Your child's play may be limited if they do not wear appropriate shoes for indoor and outdoor play.

GETTING READY FOR PRESCHOOL: Entering a new school can be a difficult transition. The following list of ideas can help ease the transition from home to school:

- Dress your child comfortably. Choose clothes that are easy for your child to manage and that you do not mind getting dirty.
- Have your child wear shoes that are safe for climbing, running, and jumping. Sandals and loose shoes are not recommended due to elevated fall/injury risk. Flip-flops are not allowed.
- Make sure to send an extra set of clothes, including socks, underwear, and shoes. As seasons change, please update clothing. Please label everything.
- Sign up for Seesaw with your child's teacher.
- "Like" the Taylor Early Childhood and Dunklin R-5 Facebook pages for information on upcoming events and other school information.
- Talk to your child about what to expect and the daily routine, as you understand it.
- Let your child know that you will be there at the end of the day to pick them up.
- If your child is full-day, a rest mat will be available. Please make sure to send a small pillow and blanket for your child to leave at school. Pillows and blankets will be sent home every Friday and are to be returned to school on Monday.

TRANSPORTATION

Please notify your child's teacher if anyone other than the usual people will pick up your child. Also, if your child is to ride the bus to an alternate location, please notify the bus garage and the Taylor office.

PICK-UP & DROP-OFF PROCEDURES

DROP-OFF INSTRUCTIONS

Full-day / AM Students: 8:50 AM

Midday Students: 12:50 PM

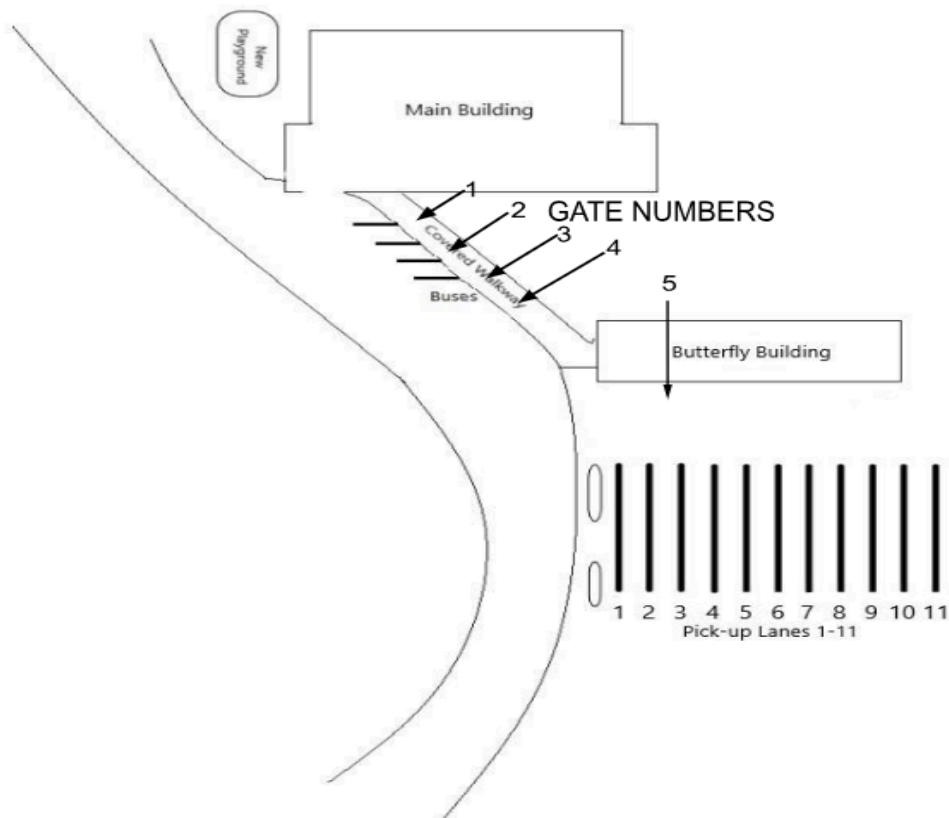

- Vehicles will need to line up in the designated parking lanes.
- At 8:45 we will pull vehicles forward forming two rows. Please remain in your vehicle until you are motioned to get your child out and wait for a staff member to get your child (teachers will not get students out of your vehicle). You will then get back in your vehicle and wait until motioned to move forward. We will pull two more rows forward and continue the process until all students have been unloaded.
- **THERE WILL BE NO CHILDREN IN THE DROP OFF ZONES WHILE CARS ARE IN MOTION**

PICK-UP INSTRUCTIONS

11:50 AM for half-day morning

3:50 PM for full-day and half-day afternoon

- Vehicles picking up will need to line up in the designated parking lanes.
- All parents/guardians need to go to the designated gate for their child's classroom. After all children have been picked up and loaded we will release cars lane by lane.
- We will have five (5) pick-up areas (gates will be clearly marked).
 - GATE 5:** Mrs. Emily, Miss Ashley W., & Mrs. Shannon
 - GATE 4:** Miss Natalie (a.m. only), Mrs. Sharon, & Ms. Lora
 - GATE 3:** Miss Natalie (p.m. only), Mrs. Bailey, Miss Jasmine, & Ms. Marissa
 - GATE 2:** Miss Ashley P., Miss Linda
 - GATE 1:** Mrs. Amy & Miss Emma
- You will be required to present the family password to the staff member in charge of your child's line. Anyone picking up your child **MUST** know the password before the student is released.
- Please contact our office at 636-479-5200, option 5 if you require special arrangements.

HOW TO CROSS THE ROAD SAFELY

The privilege of riding a school bus carries with it some responsibilities. The superintendent and board of education establish rules for the conduct of students while riding the bus. Please encourage your children to take an active role and become more aware of their safety while riding the bus.

SAFETY AT THE BUS STOP

- Arrive at the bus stop 5 minutes early.
- Wait for the bus to come to a complete stop before walking to the bus.
- When crossing, wait for the driver to signal you to cross, and walk ten feet in front of the bus so the driver can see you.
- Stay out of the Danger Zone (ten-foot perimeter around the bus).
- Never run after the bus.
- Never stop to pick something up that may have been dropped - Wait until the bus pulls away.

BUS RULES

- Observe the same conduct as in the classroom. Voice level 1, no screaming, or profane language.
- Do not throw objects of any kind.
- Report any acts of violence, misconduct, or bullying to the driver.
- Do not eat or drink on the bus.
- Keep the bus clean.
- Cooperate with the driver's instructions when boarding, while on the bus, and exiting the bus.
- The possession or use of tobacco, alcohol, and/or drugs is prohibited.
- Do not be destructive (students will carry full responsibility for damage to any part of the bus).
- Be seated immediately and stay in your seat (bottom to bottom, back to back).
- Keep head, hands, and feet inside the bus.
- The bus driver is in charge and authorized to assign seats.
- Failure to follow these rules could result in suspension from the bus.

HEALTH

ATTENDANCE GUIDELINES FOR ILLNESSES

Please **DO NOT** send your child to school if any of the following signs or symptoms are or have been present within the past 24 hours.

- Elevated temperature, 100° or higher (your child must be fever-free WITHOUT MEDICATION for 24 hours before returning to school)
- Severe cold, sore throat, or persistent cough
- Vomiting, nausea, or abdominal pain
- Repeated diarrhea (twice or more)
- Drainage (anything other than clear drainage) from the nose, eyes, or ears resulting from a contagious condition.
- Pinkeye/conjunctivitis: red/severely irritated eyes, or yellow/green drainage from eyes.
- Suspected scabies or head lice
- Severe skin rashes, eruptions (i.e. chickenpox, measles, impetigo, ringworm, etc.), or any skin lesion in the weeping stages
- Any other type of infection

There will be times when it is difficult to determine whether your child is too ill to attend daycare. Even with the common cold, some children can function fine while others are miserable. If your child is coughing continuously, he or she will be unable to concentrate and may disrupt the class, potentially exposing others. Please be courteous to others and keep the health of your child, as well as the health of others, in mind when sending your child to school.

WHEN IS SICK TOO SICK FOR SCHOOL?

Send me to school if...

I have a runny nose or just a little cough, but no other symptoms.

I haven't taken any fever reducing medicine for 24 hours, and I haven't had a fever during that time.

I haven't thrown up or had any diarrhea for 24 hours.

Keep me at home if...

I have a temperature higher than 100 degrees even after taking medicine.

I'm throwing up or have diarrhea.

My eyes are pink and crusty.

Call the doctor if...

I have a temperature higher than 100 degrees for more than two days.

I've been throwing up or have diarrhea for more than two days.

I've had the sniffles for more than a week, and they aren't getting better.

I still have asthma symptoms after using my asthma medicine (and call 911 if I'm having trouble breathing after using an inhaler).

Adapted with permission from Baltimore City Public Schools.

ILLNESS/INJURY OCCURRING WHILE AT SCHOOL

Although attendance is extremely important, the safety and health of our students and staff are a top priority. If your child becomes ill or gets a major injury, your child will need to be picked up as soon as possible.

ILLNESSES PROMPTING PICKUP (NON-NEGOTIABLE)

- Fever over 100 degrees fahrenheit
- Vomiting
- Diarrhea
- Severe cough
- Pinkeye
- Difficulty breathing
- Unusual spots/rashes
- Headlice/scabies

If your child has more than a minor issue or becomes ill at school the nurse will notify a parent or guardian. You must keep the following information up to date:

- Primary Contact Information (parent(s) home, work, and cell phone numbers)
- Secondary Contact Information (someone to take responsibility for your child in your absence (names w/ home, work, and cell phone numbers)). Please make sure to provide at least two emergency contacts, preferably three.
- Description of any unusual conditions or allergies

Please make sure to notify our office immediately of any changes that will go into effect within 24 hours so we can reach you without delay.

RETURNING TO SCHOOL AFTER ILLNESS OR INJURY

Your child may return to school when the following requirements have been met:

- Fever-free (less than 100°F) for at least **24 hours without** fever-reducing medicine.
- Diarrhea and/or Vomiting free for 24 hours.

PLEASE NOTE: Certain conditions may require a “Return to School” note from your child’s pediatrician.

MEDICATION INFORMATION/PRACTICES

MEDICINE

Medicine is kept in a locked cabinet in the nurse's office and will only be administered according to the guidelines below.

MEDICATION AUTHORIZATION FORM

A Medication Authorization Form must be filled out for each medication to be given. It should include:

- The child's full name and teacher
- The dosage amount and times
- The reason for the medication
- Signature of parent or guardian

Physician authorization is required for all medications. For prescriptions, the pharmacy label on the original container is your authorization. Medication must be in the original container and labeled with the child's name. When having a prescription filled, we suggest asking the pharmacist for an extra labeled bottle/container to divide medication for home and school.

CHILD WITH HEALTH CONDITIONS

If your child has a life-threatening condition (examples: allergies requiring an Epinephrine, asthma requiring a rescue inhaler or nebulizer, or a seizure disorder with medication) please have emergency medication in the nurse's office. You may also be asked to fill out a care plan for your child.

EMERGENCY MEDICAL CARE AUTHORIZATION

Family or guardians will be notified in the event a child has an emergency illness or accident. In a true medical emergency, our first priority will be to call 911. The policy of first responders with 911 is to dispatch the ambulance which is available at the time, the choice of the hospital is at the discretion of the ambulance dispatched. The completed health information on the enrollment form also gives the school permission to call the physician listed on the form.

IMPORTANT INFORMATION

TAYLOR EARLY CHILDHOOD CENTER

ATTENDANCE POLICY

Regular attendance is very important to your child's education and will be expected of all students enrolled. Students should strive to maintain a good attendance record; there is a direct relationship between school, attendance, grades, citizenship, and success in school. We understand that absences are necessary under certain circumstances. However, every effort should be made to keep absences and tardiness to a minimum.

If your child needs to miss school, please contact your child's teacher or the secretary.

Failure to comply with our attendance policy may result in your child being removed from the program.

DAYS 1 & 2 CONSECUTIVE ABSENCES

Step 1: The building secretary records reported absences in Infinite Campus.

Step 2: If absence is unreported, Infinite Campus will automatically notify the parent/guardian with an automated call after 9:30 a.m. & 1:30 p.m.

DAY 3 CONSECUTIVE ABSENCES WITH NO CONTACT

Step 1: Secretary reaches out to parents/guardians by phone to follow-up on the automated calls.

Step 2: Building secretary will call the teacher with information regarding absence.

DAY 4 CONSECUTIVE ABSENCES WITH NO CONTACT

Step 1: Secretary reaches out all emergency contacts in Infinite Campus. Teachers may also attempt to reach out via phone, email, or Seesaw.

Step 2: If out due to an illness, the school nurse will reach out to the parent / guardian.

DAY 5 CONSECUTIVE ABSENCES WITH NO CONTACT

Step 1: Secretary will alert the Director and Assistant Director and send out an attendance letter.

Step 2: Director or Assistant Director will contact the parent / guardian.

DAY 10 CONSECUTIVE ABSENCES WITH NO CONTACT

The Director/Assistant Director will contact the School Resource Officer and request a family well check.

NOTE: Every effort will be made to establish contact and provide assistance before this step.

AUTOMATED PHONE CALLS & TEXT MESSAGES

Attendance letters will be send home every semester for students with 6 or more absences during that semester. Parents will need to meet with the director to discuss attendance if their child has 10 or more unexcused absences (no shows).

ATTENDANCE LETTERS SENT

Attendance letters will be send home every semester for students with 6 or more absences during that semester. Parents will need to meet with the director to discuss attendance if their child has 10 or more unexcused absences (no shows).

NOTE: The aim is to address attendance concerns early and collaboratively.

CHRONIC ABSENCE TRACKING

Weekly attendance reports identify students with 10 or more absences. Updates are traced and plans are developed to support students.

NOTE: Focus is on partnering with families to improve attendance.

TARDINESS

The building secretary and teachers monitor tardiness and communicate with parents / guardians if patterns emerge. The secretary will notify the director and assistant director of three (3) tardies in a row.

NOTE: Early intervention can prevent chronic tardiness

EARLY PICK-UP: If your child needs to be picked up early, the office must be notified by 11:00 a.m. for morning classes and 3:00 p.m. for afternoon classes. Students will not be released between the times of 11:30 a.m. to 11:50 a.m. or from 3:30 p.m. to 3:50 p.m., parents must wait in the parent pick-up line. We understand that emergencies happen and will do our best to work with parents.

LATE DROP-OFF: For arrival after 9:05 a.m.: Parents must walk their child(ren) to the main entrance doorway. A staff member will meet you at the gate walk your child(ren) to their classroom(s).

If your child arrives after 9:30 a.m. they will not get breakfast at school. Also, if your child is a full-day student you must send lunch from home; lunch counts for the day at Taylor are done by 9:30 a.m. If your child is tardy more than 3 times, you will need to meet with administration.

TOILET TRAINING: Children enrolled in our program will be working on toilet training depending on their level of ability. Please make sure to provide an extra set of clothing to be kept at school (season appropriate). Follow-through at home is a critical part of successful toilet training.

STUDENT BELONGINGS: Please put your child's first and last name on all preschool belongings such as coats, gloves, nap gear, change of clothes, etc. NOTE: Please **DO NOT** allow your child to bring toys from home, **we will not be responsible for items broken, lost, or stolen.**

SNOW DAYS: We follow the same schedule as grades K - 12. In the event of inclement weather, you can watch for school closings on the local news stations or listen to KMOX-AM 1120 or check the website at <http://www.dunklin.k12.mo.us>. The district also utilizes a parent notification system to call out important notifications.

EARLY DISMISSAL / SCHOOL CANCELLATION: Occasionally weather or unforeseen circumstances create situations in which school must be dismissed early. A transportation inclement weather form will be sent home with your child within the first few days of school. Please return this form to school immediately to ensure a smooth transition on unscheduled early release days.

TRANSPORTATION: Please notify your child's teacher if anyone other than the usual people will be picking up your child. If your student is to ride the bus to an alternate location, please notify the bus garage and our office at Taylor. ***Please see the drop-off and pick-up procedures for more information.***

BEHAVIOR: As a part of our early childhood curriculum, our students are guided to make positive behavior choices. When disruptive or harmful behavior occurs, we have to take into consideration the child's developmental age and level, circumstances occurring in the child's life, past behaviors, and the seriousness of the behavior at hand. Our staff provides positive behavior support to provide a safe, learning-rich environment for all students.

If your child is unable to calm down after an aggressive outburst, you may be asked to pick them up. We work closely with a Board Certified Behavior Analyst (BCBA). The BCBA will work closely with the Director, Assistant Director and staff to monitor student behavior. If your child's behavior is significant, you will also need to meet with our BCBA so we can get a school behavior plan together. This will make sure we all follow the same plan; doing this will help your child succeed in the classroom.

POLICIES AND PROCEDURES

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA): The No Child Left Behind Act (NCLB) amended the Protection of Pupil Rights Amendment (PPRA) to require that the Department of Education notify annually each state educational agency (SEA) and each local educational agency (LEA) of their obligations under PPRA and Family Educational Rights and Privacy (FERPA).

FERPA provides that an LEA that receives department funds may not have a policy or practice of denying parents the right to:

- Inspect and review educational records.
- Seek to amend educational records.
- Consent to the disclosure of personally identifiable information from educational records except as specified by law.

CHILD ABUSE PREVENTION: All staff members are trained in child abuse identification. It is our goal to seek intervention services for families if we feel a need has been presented. We are mandated reporters and will make a call to the Department of Family Services if necessary for the protection and well-being of the child. We will do our best to provide resources and services to families experiencing difficulty.

SPECIAL EDUCATION: We believe a successful early childhood program represents a wide range of individual student abilities. Our program may have children enrolled who qualified for an Individual Education Plan (IEP). We will provide a safe, loving, learning-rich environment to all of our students regardless of ability. The Special Education Department takes pride in following all guidelines and timelines outlined by the Department of Elementary and Secondary Education. If at any time you have questions or concerns about your child's ability or the services they are receiving, please contact the Taylor Early Childhood office and speak with the Director.

ACTION PLAN: If we see that a child needs additional support within our classrooms, we initiate an informal assessment that is appropriate for children of preschool age. If we find the child would benefit from extra support in an area, we will implement additional strategies to help your child be successful while still adhering to the Project Construct Curriculum. If additional strategies have been implemented and a child continues to struggle, our Special Education Department will complete an observation to determine if reviewing existing data would be beneficial. All decisions made regarding your child's education are made as a team including the parents, teachers, diagnostician or process coordinator, and the Director of Early Learning.

EMPLOYEE BACKGROUND CHECK: For student safety, all employees of the Dunklin R-5 school district complete an FBI fingerprint background check upon employment. Employees are also screened through the Missouri Department of Health and Senior Services Family Care Safety Registry.

EQUAL OPPORTUNITY EMPLOYER: Dunklin R-5 complies with the provision of Title IX, Title VI, and Section 504 and does not discriminate based on age, race, sex, national origin, or disabling conditions in regard to employment, services, or programs. Inquiries regarding compliance with provisions should be directed to the Dunklin R-5 Central Office.

FILE JO-1, STUDENT RECORDS

In order to provide students with appropriate instruction and educational services, it is necessary for the district to maintain extensive and sometimes personal information about students and families. These records must be kept confidential in accordance with the law, but must also be readily available to district personnel who need the records to effectively serve district students.

The superintendent or designee will provide for the proper administration of student records in accordance with the law, develop appropriate procedures for maintaining student records, and standardize procedures for the collection and transmittal of the necessary information about individual students throughout the district. The superintendent and building principals will develop a student records system that includes protocols for releasing student education records. Principals are responsible for maintaining and protecting student education records in each school. The superintendent or designee will make arrangements so that all district employees are trained annually on the confidentiality of student education records, as applicable for each employee classification.

DEFINITIONS

Eligible Student – A student or former student who has reached age 18 or is attending a postsecondary school.

Parent – A biological or adoptive parent of a student, a guardian of a student, or an individual acting as a parent or guardian in the absence of the student's parent or guardian.

Student – Any person who attends or has attended a school in the school district and for whom the district maintains education records.

HEALTH INFORMATION

Student health information is a type of student record that is particularly sensitive and protected by numerous state and federal laws. Student health information shall be protected from unauthorized, illegal, or inappropriate disclosure by adherence to the principles of confidentiality and privacy. The information shall be protected regardless of whether the information is received orally, in writing, or electronically and regardless of the type of record or method of storage.

PARENT AND ELIGIBLE STUDENT ACCESS

All parents will have the right to inspect their child's education records unless a court order, statute, or legally binding document prohibits such access. As used in this policy, a "parent" includes a biological or adoptive parent, a guardian, or an individual acting as a parent in the absence of a natural parent or guardian. The district will extend the same rights to either parent, regardless of divorce, custody, or visitation rights, unless the district is provided with evidence that the parent's rights to inspect records have been legally revoked. The rights of the parent transfer to the student once the student turns 18, or attends an institution of postsecondary education, in accordance with the law.

If a parent or eligible student believes the education records related to the student contain information that is inaccurate, misleading, or in violation of the student's privacy, he or she may ask the district to amend the record by following the appeals procedures created by the superintendent or designee.

The district will annually notify parents and eligible students of their rights in accordance with the law.

DIRECTORY INFORMATION

Directory information is information contained in an education record of a student that generally would not be considered harmful or an invasion of privacy if disclosed.

The school district designates the following items as directory information.

► Students in kindergarten through eighth grade – Student's name, parent's name, grade level, enrollment status (e.g. full-time or part-time), participation in school-based activities and sports, weight, and height of members of athletic teams, athletic performance data, dates of attendance, honors, and awards received, artwork or course work displayed by the district, most recent previous school attended, and photographs, videotapes, digital images, and recorded sound unless such photographs, videotapes, digital images and recorded sound would be considered harmful or an invasion of privacy.

► High school and vocational school students – Student's name, parent's name, address, telephone number, date of birth, grade level, bus assignment, enrollment status (e.g. full-time or part-time), participation in school-based activities and sports, weight and height of members of athletic teams, athletic performance data, dates of attendance, degrees, honors/awards received, artwork or course work displayed by the district, most recent previous school attended, and photographs, videotapes, digital images and recorded sound unless such photographs, videotapes, digital images and recorded sound would be considered harmful or an invasion of privacy.

LAW ENFORCEMENT ACCESS

The district may report or disclose education records to law enforcement and juvenile justice authorities if the disclosure concerns law enforcement's or juvenile justice authorities' ability to effectively serve, prior to adjudication, the student whose records are released. The officials and authorities to whom such information is disclosed must comply with applicable restrictions set forth in federal law.

If the district reports a crime committed by a student with a disability as defined in the Individuals with Disabilities Education Act (IDEA), the district will transmit copies of the special education and disciplinary records to the authorities to whom the district reported the crime as allowed by law.

Law enforcement officials also have access to directory information and may obtain access to student education records in emergency situations as allowed by law. Otherwise, law enforcement officials must obtain a subpoena or consent from the parent or eligible student before a student's education records will be disclosed.

CHILDREN'S DIVISION ACCESS

The district may disclose education records to representatives of the Children's Division (CD) of the Department of Social Services when reporting child abuse and neglect in accordance with the law. Once the CD obtains custody of a student, CD representatives may also have access to education records in accordance with the law. CD representatives may also have access to directory information and may obtain access to student education records in emergency situations, as allowed by law.

MILITARY AND HIGHER EDUCATION ACCESS

The district will disclose the names, addresses, and telephone numbers of secondary school students to military recruiters or institutions of higher education as required by law. However, if a parent, or a secondary school student who is at least 18, submits a written request, the district will not release the information without first obtaining written consent from the parent or the student. The district will notify parents and secondary school students who are at least 18, that they may opt out of these disclosures.

VOLUNTEER ACCESS

District staff will not allow volunteers to access student records unless the volunteer has completed a criminal background check and the district has determined that the volunteer should have access. A volunteer who has completed a criminal background check may access student education records only under the supervision of staff members and when necessary to assist the district.

RECORDS RETENTION

The district shall retain all student records per applicable federal and state law, as well as the current version of the Missouri Secretary of State's Public School Records Retention Schedule and General Records Retention Schedule.

PUBLIC NOTICE

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including non-resident children attending private schools, highly mobile children, such as migrant and homeless children, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade.

The Dunklin R-5 School District assures that a free, appropriate public education (FAPE) is provided to all eligible children with disabilities between the ages of 3 and 21 under their jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness, and the youngest child with a developmental delay.

The partnership with the Component Districts assures that it will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps Program.

The partnership with the Component Districts, assures that personally identifiable information collected, used, or maintained by the districts for identification, evaluation, placement, or provision of FAPE of children with disabilities may be inspected and/or reviewed by their families/guardians. Families/guardians may request amendments to the educational record if the family/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Families have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Education Rights and Privacy Act (FERPA).

The Component Districts have developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act 2004 (IDEA-2004). This Plan and School Board Policies contain the district's procedures regarding storage, disclosure to third parties, retention, and destruction of personally identifiable information, and the district's assurances that services are provided in compliance with the General Education Provision Act (GEPA). This Plan is available for public review in the Office of the Superintendent of Schools during regular school hours on days school is in session.

This notice will be provided in native languages as appropriate.

PARENTS AS TEACHERS

Parents as Teachers is a family education and support program that provides practical, effective help for all families with children prenatal through age five. It recognizes you as your child's first and most important teacher. All services through Parents as Teachers are **FREE OF CHARGE**. While participating in the Parents as Teachers program your child will receive personal visits from your parent educator as well as developmental screenings.

To inquire about the Parents as Teachers program or to have your child screened, please contact their office at 636-933-0792, located in the Festus R-6 School District at 821 American Legion Drive, Festus, MO 63028.

FUNDRAISING

Over the years we've hosted several fundraising events to help pay for our new playground. Now that we have the new playground, we'd like to continue our fundraising efforts to be able to continue to add items to the playground and host special events for our students. We have several "all year" fundraisers going (Sideline Store by BSN Sports and Box Tops). We also have our annual Flower Power fundraiser in the Spring.

FLOWER POWER FUNDRAISER

We fill our school and yard with lots and lots of flowers; spinning flowers on our school lawn and paper flowers on our classroom doors.

This is so much fun for our students and staff and helps us raise funds for our program and special events.

There is no set amount to donate: \$1.00, \$2.00, \$5.00, \$10.00, \$20.00 or more! Any donation amount is helpful and greatly appreciated!

WHY? To benefit our school, students, staff, and community.

Previous fundraisers have helped pay for our new wheelchair platform swing, classroom libraries, new playground, gym toys/equipment, books for students, sensory items, and family fun events.

THANK YOU FOR SUPPORTING TAYLOR EARLY CHILDHOOD!!

INFINITE CAMPUS PARENT/GUARDIAN & STUDENT PORTAL

Section I: User Expectations

The Internet and secure web access have altered the ways that confidential information may be accessed, communicated, and transferred by members of society. Those changes are influencing instruction and student learning. The School Board supports access by students, parents/guardians, teachers, and administrators to informational resources that will improve participation in a child's education and improve communication between students, parents/guardians, and the student's teachers.

The Dunklin R-V School District manages student information electronically and will make the student education records available for viewing only to authorized parents/guardians and students with a secure connection over the Internet. All parents/guardians and students will comply with the Internet use regulations and all technology regulations/procedures, as well as all other District policies that may apply.

Electronic Access to Student Information Regulation

Dunklin R-5 School District uses a secure Internet site to enable electronic access to student information, enhancing communication between our parents/guardians, students, teachers, principals, and administrators.

- A) **Rights and Responsibilities:** This access is a free service offered to all current and active parents/guardians and students of the Dunklin R-V School District. Access to student information from the Internet is a privilege, not a right. Only after a family has enrolled their child(ren) in the Dunklin R-V School District will a parent/guardian and/or student be authorized to activate a web account. Once a student withdraws or graduates from the Dunklin R-V School District their access will be inactivated. Parents/guardians, students, and staff must understand and practice proper and ethical use.
- B) **Information Accuracy Responsibilities:** Information accuracy is the joint responsibility between schools, parents/guardians, and students. Each school will make every attempt to ensure information is accurate and complete. If a parent/guardian or student discovers any inaccurate information, they will notify their school immediately and provide proof of the inaccurate information.
- C) **Information Accessible:** The Dunklin R-V School District reserves the right to add, modify, or delete functions viewed via the Internet site at any time without notice, including, but not limited to, the functions listed below.
 - 1) Attendance
 - 2) Class Schedule
 - 3) Report Cards
 - 4) Transcripts
 - 5) Student Demographics
 - 6) Course Requests
 - 7) Emergency Information
 - 8) Immunizations
 - 9) Assessment data and work in process

Students from grades six to twelve may request a secure account. A student will only have access to his/her own student information.

- D) **Electronic Web Access Agreement:** Each parent/guardian must complete and sign an Electronic Web Access Agreement for Viewing Student Information Form. After verification of information on the form, the school will follow the process outlined in this regulation to establish an account.

If a parent/guardian is unable to visit the school, they may download the Electronic Web Access Agreement for Viewing Student Information at a website to be determined. The parent/guardian must have the form certified by a notary public and mail the completed and signed form with the notary public seal and current date to their child's school.

The school will keep the completed and signed form in the cumulative record folder of each student.

- E) **Use of the System:** Parents/guardians and students are required to adhere to the following guidelines:
 - 1) Parents/guardians and students will act in a responsible, ethical, and legal manner.
 - 2) Parents/guardians and students will not attempt to harm or destroy the school or the district's data or networks.
 - 3) Parents/guardians and students will not attempt to access information or any account assigned to another user.
 - 4) Parents/guardians and students will not use this Internet site for any illegal activity, including violation of Federal and State Data Privacy laws. Anyone found to be in violation of these laws would be subject to Civil and/or Criminal prosecution.
 - 5) Parents/guardians and students who identify a security problem within the Portal must notify their school immediately, without demonstrating the problem to anyone else.
 - 6) Parents/guardians and students will not share their passwords with anyone, including their own child(ren).
 - 7) Parents/guardians and students will not set their computers to automatically login to the Internet site.
 - 8) Parents/guardians and students identified as a security risk will be denied access to the site.

F) Security Features

- 1) Access is made available with a secure Internet site.

Note: Account holders are responsible for not sharing their passwords and for properly protecting and/or destroying any printed/electronic documentation generated from this site.

- 2) Three unsuccessful login attempts will disable the user's account. Until the school has verified the assigned user to the locked account, the account will remain locked. In order to use the account again, the user will need to contact their child's school.
- 3) The users will be automatically logged off if they leave their web browser open and inactive for a period of time
- 4) The student's account will be inactivated when the student withdraws or graduates from the Dunklin R-V School District.
- 5) The Parent/guardian account will be inactivated when all their child(ren) have either withdrawn or graduated from the Dunklin R-V School District, or a court action denies the parent/guardian access to the student's information.

Section II: System Requirements and Support:

A) System Requirements

- 1) The most current system requirements will be posted to the Dunklin R-5 School District Infinite Campus Website: <http://www.dunklin.k12.mo.us>.

B) Support

- 1) Telephone support for issues concerning student information or procedures is available by contacting your school representative.
- 2) When calling, the school will identify the caller with the "Person Login ID" given to the caller at the time the account was created. If the caller gets voicemail, they will leave their name, phone number, the best time to contact, and a description of the problem.

C) Limitation of School District Liability

The Dunklin R-V School District will use reasonable measures to protect student Information from unauthorized viewing. The District will not be responsible for financial obligations arising through unauthorized use of the District's system or the Internet. The District does not promise any particular level or method of access to the Internet site for viewing student Information. The District will not be responsible for actions taken by the parent/guardian or student that would cause compromise of their student Information. The District reserves the right to limit or terminate the Internet site for viewing student Information without notice. All parents/guardians and students of the District network by requesting an Internet site for viewing student Information accounts consent to electronic monitoring and understand that this is a private network used as an educational tool by the Dunklin R-V School District employees and students. Account activity is electronically recorded.

Section III: Parent Portal Access and Use:

A) Initial Account Request and Setup

- 1) For Parents/Guardians new to the District:
 - i) When parent/guardians are enrolling their child(ren), the parent/guardians can complete the Electronic Web Access Agreement for Viewing Student Information.
 - ii) The parent/guardians only need to complete one Electronic Web Access Agreement form for all children in their household.
 - iii) For security reasons, all parents/guardians must sign the form in the presence of a school principal or school secretary.
 - iv) The school will verify parent/guardian identification with official government identification.
 - v) If the parent/guardian cannot visit the school, a notary public must witness the parent/guardian signing the form and use their public seal with a current date.
 - vi) After the student is enrolled in the student information system, the parent/guardian requesting an account will be provided an activation key and "Person login ID".
 - (1) The activation key is used by the parent/guardian to create their secure account.
 - (2) The "Person Login ID" is used by the schools to verify a person requesting an account unlock.
 - vii) The school will keep the completed and signed form in the cumulative record folder of each student.
- 2) For Parents/Guardians who do not currently have an Internet access account but have a child already enrolled
 - i) Each parent/guardian only needs to complete one Electronic Web Access Agreement form for all children in their household.
 - ii) For security reasons, each parent must sign the form in front of the school principal or school secretary.
 - iii) The school will verify parent identification with official government identification.
 - iv) The parent requesting the account will be given an activation key and "Person Login ID".

- (1) The activation key is used by the parent to create their secure account.
- (2) The “Person Login ID” is used by the schools to verify a person requesting an account unlock.
- v) The school will file the completed and signed form in the student’s cumulative record folder.

3) For Students:

- i) Students from grades six through twelve can request their own accounts from their school.
- ii) The school will verify student identification.
- iii) A student requesting an account will be given an activation key and “Person Login ID”.
 - (1) The activation key is used by the student to create their secure account.
 - (2) The “Person Login ID is used by the schools to verify a person requesting an account unlock.

4) For Schools:

- i) The activation key will not be given to a parent/guardian or student without first verifying the identity of the requestor.
- ii) The Electronic Web Access Agreement form signed by a parent will be maintained in the student’s cumulative record folder.

B) Account Unlock Procedures

- 1) Parents/Guardians or Students may request unlocking their account either by telephone or in person.
 - a. Via Phone –
 - i). The requestor will be asked a series of random questions and for the Person ID given to the person at the time the account was set up by the school administration. The questions will be limited to information in the student management system that only the requestor would know.
 - b. In-Person – The Parent/guardian or student will make the request to the secretary at the school.
 - c. For Schools – Once the school has confirmed the Parent/Guardian identification, they will request an account reset via an email to technology staff. The Technology staff will reply to the school’s request by providing a new password. The School would notify the user of the new password.

Note: Depending on the volume of requests and District/School workload, this process could take 3 - 5 full school days or longer during peak times.

COMMUNITY RESOURCES

Brenden's Friday Backpack Program

Dear Parents/Guardians:

We are happy to inform you that the Dunklin R-5 School District is once again participating in the "Brenden's Backpack" Program. The program provides a bag for Dunklin R-5 students (Pre-k - 12th) on the last day of the school week. Each bag is filled with nutritious food and snacks to assist with food needs over the weekend.

There is no cost to participate in this program.

Confidentiality is a high priority and we will do our best to ensure that participants in the program will not be identified or publicized to other students. They will be allowed to pick up their bags each Friday a few minutes before leaving school.

If you are interested in participating in this program, please complete the information below and have your child return this form to school. Feel free to contact us with any questions about the program.

Thank you,
