Parent's Right to Know (Section 1111(h)(6)(A-C))

Dear Parent/Guardian,

Any Local Education Agency (LEA) that receives Title I funding must notify parents of every student in a Title I school within the district of their parental Right to Know. Parents may request and the school must provide information regarding the professional qualifications of classroom teachers. We will provide the following information at any time:

- Whether the teacher has met State qualifications for the grade levels and subject areas in which the teacher provides instruction
- Whether the teacher is teaching under emergency or other professional status that the State has waived
- The degree major of the teacher and any other graduate certification or degree held by the teacher and the field of discipline of the certification or degree
- Whether the child is provided services by paraprofessionals, and if so their qualifications

Additionally, a school that receives Title I funds must provide to each individual parent/guardian:

- Information on the level of achievement their child has made on all state assessments
- Timely notice that their child has been assigned or taught for 4 or more consecutive weeks by a teacher who is not highly qualified

The Mascoma Valley Regional School District is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes ensuring that all of our teachers and paraprofessionals are highly skilled.

If you have questions about your child's assignment to a teacher please contact the appropriate administrator listed below:
