# Welcome Back Greenwood Lake Families!

## Hello Greenwood Lake Community,

Welcome to the start of the 2025/2026 school year. This summer was very busy as much needed Capital Projects took place at the Elementary and Middle Schools. We hope you enjoy all the hard work performed at both schools. The start of school is a very exciting time for our students and families. The GWLUFSD Board of Education would like to thank the entire community for your continued support throughout the year. Our top priorities continue to be providing a safe learning environment and the best education for all the children in our community. Throughout the summer the Administration, Teachers, Custodians and Transportation staff have been very diligent with summer programs in preparation for the upcoming school year. We would like to especially thank the Custodial Unit with all of their hard work assisting with moving all furniture at both schools to assist with the Capital Projects. We would like to welcome our newest UPK and Kindergarten students into the district. Please feel free to reach out with any questions or concerns you may have throughout the school year.

On behalf of the GWLUFSD Board of Education

**Jonathan Thurber,**  
President Board of Education

Welcome back! As we turn the page to a new school year, I want to extend my warmest greetings to all of our students, families, and staff. Whether you're returning or joining us for the first time, we are so glad you are here and part of the Greenwood Lake community.

Each new school year brings with it the promise of growth, discovery, and connection. At Greenwood Lake, we remain committed to fostering a safe, inclusive, and inspiring environment where every child can thrive. We are proud of our strong academic programs, dedicated educators, and the many opportunities our students have to explore their interests and talents both inside and outside the classroom.

This year, we look forward to continuing the traditions that make our district special—from cherished field trips and district events to school-wide celebrations and community partnerships. And as always, we will continue working together to ensure every student feels seen, supported, and empowered to succeed.

Let's make this a year filled with learning, laughter, and Laker pride!

**Sarah E. Hadden**

## FOOD SERVICES

Great news! This year, all students at Greenwood Lake Elementary and Middle Schools can enjoy a delicious breakfast and lunch every day at no cost. Thanks to the Community Eligibility Provision (CEP) under the National School Lunch Act, we're able to offer free meals to every student.

In addition to participating in CEP, we are also part of the NYS Universal Lunch Program, ensuring that all students have access to healthy meals. While the first breakfast and lunch each day are free, please note that additional entrees, a la carte items, snacks, and specialty drinks (such as chips, ice cream, juice, and extra portions) will have a small cost. Students can pay for these extras with cash or use their School Bucks account.

Families are encouraged to apply for SNAP benefits to further support their household. You can apply through the NYS website at <https://www.ny.gov/services/apply-snap>.

You do not need to fill out an application for your child to receive free breakfast and lunch. However, we do encourage families to complete and submit the Household Income Eligibility Form, available on the District's website. By completing this form, you help the District secure additional Federal and State funding, which brings even more benefits to our students and families.

As I enter my second year as principal of Greenwood Lake Elementary, I am filled with gratitude and excitement for the year ahead. Over the past year, I have been inspired by the kindness, dedication, and spirit of our students, staff, and families. Together, we have celebrated achievements, embraced challenges, and strengthened the sense of community that makes our school such a special place.

The 2025–2026 school year is an opportunity to continue building on this strong foundation. Our commitment to nurturing a supportive and engaging learning environment remains at the heart of all we do. I look forward to seeing our students grow as curious learners, confident problem-solvers, and compassionate friends.

Together, let's make this a year filled with discovery, joy, and moments that remind us why Greenwood Lake Elementary is truly exceptional. Here's to another fantastic year of learning and growing—together!

Welcome back Middle School Families! We are excited to kick off another incredible school year with our Greenwood Lake Middle School community. Whether you are returning or joining us for the first time, we look forward to having you as part of our Laker Family!

At Greenwood Lake Middle School, we serve students in grades 4-8, and we're proud to offer a supportive, student-centered environment where every child can grow, explore interests, and feel connected. There is so much to look forward to this year, from school-wide events and celebrations to an exciting range of clubs and extracurricular activities, including interscholastic sports for our 7th and 8th grade students.

As we begin this new year, we encourage every student to set personal goals, take on new challenges with confidence, and remember that they are supported every step of the way by our caring and committed team of educators and staff.

Let's make this a year full of learning, growth, and Laker pride. We're looking forward to all the amazing things our students will accomplish!
