HERE'S WHAT'S CRACKIN'

Marching band season started on July 28 and is off to a great start. They spent two weeks working on fundamentals, preparing for football games, and their competitive show. Their first public performance will be at the home football game on Friday, August 29, when they perform the first two parts of their four-part show entitled "Phases of Artemis." The show is about the Greek Goddess of the Hunt, Artemis. You will see more elements of the show added each home game so be on the lookout!
