Dear Families,

We're excited to share an important update for the upcoming **2025–2026 school year**. While **Greenwood Lake UFSD** currently provides **free breakfast and lunch to all students** through the Community Eligibility Provision (CEP**)**, we are pleased to announce that this support will continue—and expand—under **New York State's new Universal Free Breakfast and Lunch Program**.

This change means that every student will continue to be able to enjoy both **breakfast and lunch at no cost**, **every school day, regardless of household income.** We hope all of our students will take advantage of this opportunity for nutritious, ready-to-go meals that help support focus, energy, and academic success.

In addition, **income applications** are being sent home. While all students will automatically receive free meals, we encourage families to complete and return these forms if you believe you may qualify for additional benefits offered through New York State. These benefits may include the summer EBT program.

Families are also encouraged to apply for **SNAP** directly. You can learn more and apply here: https://www.ny.gov/services/apply-snap

If you have any questions, or would like more information, please don't hesitate to contact our **Food Services Department**—we're always happy to help.

Thank you for your support, and we wish all of our families a joyful and successful school year ahead!
