

ADOPT A CLASSROOM

Adopt a Classroom at Lisa J. Mails!

We're inviting local businesses, community members, and families of our students to join us in making a difference through our Adopt-a-Classroom program. By adopting a classroom or grade level, you'll provide encouragement and financial support that directly benefits our students.

How it works:

When you make a donation, the teacher is notified right away, and you'll receive a heartfelt thank-you letter (along with confirmation for your tax records).

What it means for students:

Every dollar goes straight into the classroom—supporting projects and enhancing our school's special focus on the visual and performing arts. With your help, our students can enjoy creative, enriching opportunities that inspire learning and spark imagination.

Be part of something special—adopt a classroom today and help our students dream, create, and shine!
