

Destiny Discover Quick Guides

Log in to Destiny

Go to <http://destiny.bsd405.org> choose the International School site, click on **Log in** then sign in with your **BSD username and password**.

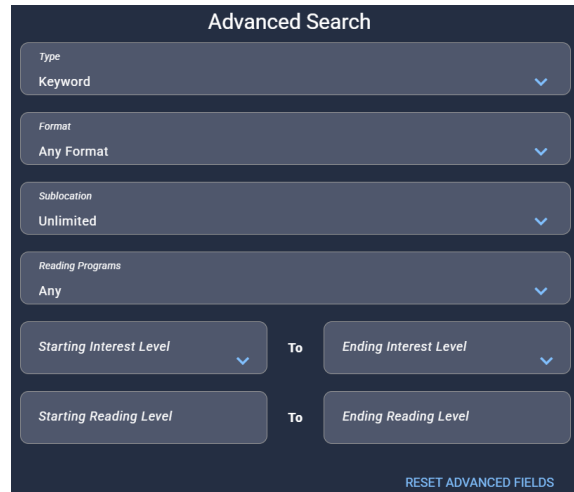

Destiny Discover Search

Look for the Search bar in the Destiny Discover header

Type your search item (keywords, title, author or topic) then click **Enter**.

Or, after entering an item, click **Advanced Search** icon  to set any filters.

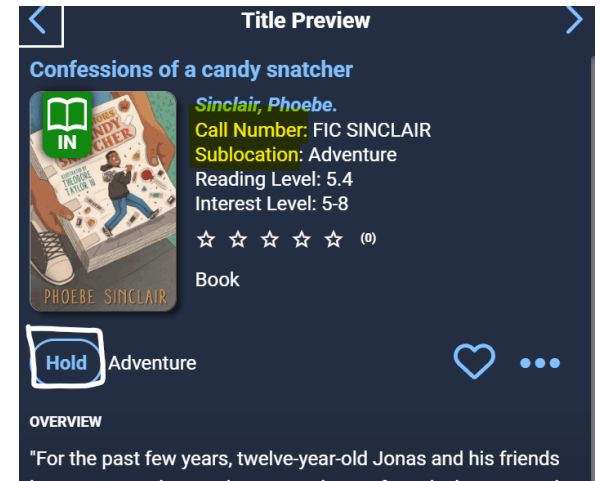

Navigate Search Results

Search results are organized on four tabs: **Books, Collections, Websites and Databases**.

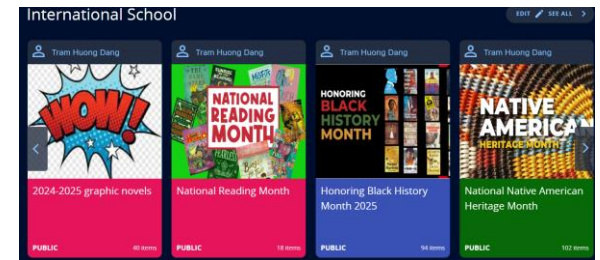

Books

The **Books** tab shows all the books, eBooks and audiobooks that we have in our library collections. To preview a title, click on the title or cover. The **call number** and **sublocation** will show you where to find this book on the shelf. You can also put a hold of this book by click on the **Hold** button.

Collections

Sets of curated books to be used in any specific reading projects.

Websites

Go to **Websites** to see a list of teachers approved online resources.

Databases

On the Databases tab, find online databases that are great for school projects.

BSD databases

JSTOR

Login ID: internationalstudent
Password: researcher

JSTOR is a digital library of academic journals, books and primary sources.

JSTOR archives and provides access to archival and current issues of more than 1,400 scholarly journals across more than 50 academic disciplines.

ProQuest CultureGrams

Login ID: W405HNATIO
Password: INT49

ProQuest databases with One Search

The full list of ProQuest databases is available on our Destiny Discover Learning Resources and library homepage. You need to login to our Library Destiny website to access One Search database.

eLibrary

A massive, multidisciplinary database, designed for students and educators at high schools, community colleges, and four-year universities. Editorially created pages provide valuable context for both common and obscure research topics. The content, which is all full text, includes books, magazines, journals, newspapers, photographs, transcripts, and videos.

SIRS Discoverer

SIRS Discoverer is an editorially curated reference database that supports the teaching and learning of basic research skills in primary and secondary education. It supports state, national, and international curricular standards.

ProQuest History database

A curated collection of full-text journals, popular magazines and primary source documents covering a range of global historical topics and themes. The collection includes current and archival secondary sources for vital content and varied perspectives on thousands of topics from world history.

KCLS Databases

Username: 405 followed by your student ID number.

Password: the last four digits of your student's ID number.

Gale Academic OneFile

Quickly access scholarly articles and journals. Best for academic research.

Gale in context: Opposing Viewpoints

Explore both sides of an issue. Use statistics and primary sources to weigh the pros and cons. Read articles written from diverse perspectives to understand others better.

Gale OneFile: World History

Access balanced coverage of events in world history as well as scholarly work in the field.
